Yerington Here Saturday To Meet Wolverine Team

Tahoe-Truckee Loses Close Contest To Manogue In Fast Game

Following their first defeat of the year at the hands of the fast Manogue eleven at Reno Saturday by a score of 24 to 13, the Tahoe Truckee Wolverines this week are girding themselves for the conference game here Saturday afternoon with the Yerington High in a Homecoming contest.

The Nevada State Journal reports that:

On paper the Miners scored an impressive victory, but actual play on the field had the issue in doubt until late in the third quarter. Statistically Manogue had a total gain of 309 yards against a total of 118 for Truckee. However, it was late in the third quarter before Manogue finally went into the lead to stay on Cullen's 45-yard streak of paydirt. Up to that time Tahoe-Truckee had the edge 13 to 12 having taken the lead near the end of the first half.

Fullback Dick Mandeville sparkplugged the local offense. Dick did much of the ball carrying and sparked the Wolverines longest sustained drive in the third pediod.

Others on the local team who rendered notable service included Roger Sanford whose pass to Micky Williams in the second quarter put the ball on Monague's two yard line and it was pushed over in the next play by Roger Holbrooy. The kick by Jack Van Hooser was good to give Tahoe-Truckee its first score and whittled down the 12 to 0 lead held by the home team at the end of the first period.

Minutes later the Wolverines smashed through and blocked a Manogue kick on the Nevada 43-yard line. Jim Bowden, snappy Wolverine center, scooped up the ball and went down the field for the second touchdown. The try was good and the Wolverines led 13 to 12 at the end of the half.

The game was pretty much back and forth from then on, with the penalty assessment costing the Manogue team 135 yards and the Tahoe Truckee gridder 20.

The third quarter saw the Miners out in front 24 to 13 and it was on this note that the game ended.

Saturday's game with Yerington is expected to be filled with action and a record crowd of local fans is looked for. It will be the homecoming game for the Wolverines and the old grads are expected to out in force to give the team the support they deserve.

Spaghetti Dinner Will Feature PTA Meeting

A spaghetti dinner for which a nominal charge will be made and to which all members, their families and friends are invited, will feature the meeting of the High School Parents and Teachers at the high school cafeteria October 14 at 7 p.m.

Dr. Procter Hugg, superintendent of schools at Sparks, will be the speaker. E. V. O'Rouke arranged the program and Lew Baysinger will preside.

Sunshine Dominates Lake Tahoe Weather

TAHOE CITY—Temperatures are dropping below the freezing point nearly every morning at Tahoe as the warm, sunshiney days continue. The low for the past week has been 31 degrees with the day-time temperatures reaching a mild 60 to 65.

With six gates open, the lake level Monday stood at 6226.88 feet Art Frodenberg, cooperative observer, reports.

HENRY SEIBOLD WILL BE FETED BY LODGE

Henry G. Seibold, formerly of Hobart Mills, now living in Sparks, will be honored on October 12 by being presented a 50-year veteran pin by the Knights of Pythias.

The pin and Pythian diploma will be presented in Reno by Amity Lodge No. 8, Knights of Pythias.

Seibold received the rank of knight in Oakland on April 21, 1904 by Oakland Lodge No. 103.

Members of Summit Lodge No. 54 of Truckee, are planning to attend in full force.

FRANK PURCHASES OIL INTERESTS HERE

R. R. Frank, Truckee distributor for the Associated Oil Company, announced this week that he has purchased the interests of Wayne Hinckley of Reno and in the future will be the sole operator of the local Associated distributing agency. Frank purchased all the local equipment and accessories from the former owner.

Donors Urged To Contribute In Local Blood Bank Pool

With the current deposit of blood virtually extinct, J. J. McGlade, administrator at the Tahoe Forest Hospital, this week announced that a collection program, designed to build the bank back up to a safe point for emergencies, will be held here on Thursday, October 21, between noon and 7 p.m. at the hospital.

Since the collection will be handled by appointment only, McGlade asked that potential donors call the hospital at Truckee 90 to be listed in order for the convenience of collectors as well as donors.

Trained personnel under the direction of Dr. V. A. Salvadorini of the Washoe Medical Center, will handle the blood collection at the hospital.

"It is vitally important that we obtain good results in this drive" McGlade declared. "The donated blood wil be used by the people in the local hospital district when the need arises and we must build up a reserve equal to expected demands placed upon the area.

"If we can all cooperate in making this program a success, we shall all benefit from it by raising the standards of patient care in the hospital," he added.

STAGE IS SET FOR ANNUAL STEW AT HALL HERE SUN.

Date: Sunday, October 10.
Time: 2 p.m.
Place: Capitol Hall.
Event: Annual buck stew

Those are the items to bear in mind as the time approaches for the Truckee Outdoor Sportsmen's highlight of the year—the big, free buck stew.

President Charles Osburn reported today that everything is in readiness for the event which annually attracts hundreds of sportsmen and their friends to participate in the savory stew and accessories to be prepared by Julia and Johnny Ciardella and their staff of assistants.

Everyone is invited and there are no strings attached.

TRAFFIC CHECK ON ROAD HAS RESULTS

A two-hour traffic check on Highway 89 Saturday resulted in citations being issued to 22 of the 75 drivers examined.

Sgt. Ed Freeman, who headed the program, said the check demonstrated what could be done if the patrol personnel was not spread so thin and so actively engaged in more pressing enforcement projects.

Of the 22 citations and nine additional warnings, 14 vehicles were found with faculty lights, two with inadequate brakes, two without proper registration, one without an operator's license and three miscellaneous, including defective air brakes on a truck.

One hour of the check was conducted at Sierraville and the other hour near Truckee.

Newshams Will Reside At Kings Beach Home

Mr. and Mrs. Howard Newsham and daughter left Truckee this week to make their home at Goldcrest Resort at Kings Beach. Newsham, manager of the Truckee office of the Pacific Telephone Company will commute between the two towns.

For the past two years the Newshams have resided in the home of Dr. and Mrs. L. D. Nelson in Gateway Park while the former served in the navy. The Nelsons are returning soon and wil again occupy their home here.

SHOWER GIVEN

Mrs. Loren Ferdinand was feted at a pink and blue shower at the home of Mrs. Jack Ellis on Monday evening with members of their card club group present. The guest of honor opened her gifts before cards were played and refreshments were served at the close of a pleasant affair.

In San Diego—

Mr. and Mrs. Martin A. Johnson reluctantly left Donner Lake for their winter home in San Diego.

Work Starts On New Patrol Plant Near Tahoe Wye

Work Expected To Be Done On Office Building Next Month

Work started Tuesday on Truckee's new California Highway Patrol and Department of Motor Vehicles building and the builder, John J. Lodito of San Andreas hopes to have the structure completed by next month.

The building is being constructed on a lot 100 by 250 feet purchased from the Truckee Public Utility District near the west end of the Tahoe-Truckee wye, immediately east of the Ransome Company plant on the north side of Highway 40.

The estimated cost of the building when complete is $35,000.

Under plans previously announced, the building, will be leased by the state and the cost shared between the two departments, offices being made available for the motor vehicle work as well as the highway patrol.

Presently both departments are operating in a small, inadequate building near Truckee Resort.

Morey Withdraws As Board Candidate

Daven Morey, well known Truckee resident, who had announced he would be a candidate to fill a vacancy on the board of directors of the Tahoe Forest Hospital District today withdrew his candidacy and announced that he cannot serve on the important group.

Since filing his petition for candidacy, Morey's wife has accepted a position as head nurse at the hospital and it was because of this that Morey felt his name should be withdrawn.

"I fell that to continue my candidacy might cause some embarrassment," Morey said. "I wish to withdraw my name for obvious reasons and while I still have a sincere interest in the welfare of the hospital I cannot conscienously serve as a director under the circumstance. I wish also to thank all my friends who have urged me to be a candidate for the office."

Only one other candidate, Warren Porter of Tahoe City, has filed for the three vacancies which will occur at the expiration of the terms of C. R. Heller, Nace Firpo and F. B. Sederberg.

DOUG MONTELL IS SPEAKER AT MEET

Doug Montell of the California Correctional Industries was the guest speaker at last night's joint meeting of the Truckee Lions and Rotary clubs held at Donner Lake Lodge with the Lions as hosts and E. K. Stice presiding.

Montell spoke on "California's Common Sense Penal Training Program," pointing out that there are some 15,000 prisoners in the state's correctional institutions at the present time and that preparations are being made to care for 24,000 that is expected to make up the prison population within ten years.

He discussed the psychology of treatment and training and said it is the state's desire to teach the inmates to return to society as useful citizens.

Montell may be remembered as an outstanding radio sportscaster.

Bus Drivers Confer On Laws At School Session

The bus drivers and representatives of the California Highway Patrol met at the Tahoe-Truckee High School on Monday at 7:30 p.m. to discuss violations of the vehicle code, with particular reference to school buses and related information concerning due process of law.

Sgt. Edward Freeman and Officer Carroll Maynard represented the highway patrol. Those representing the school were: Harry Eaton, supervisor of transportation; Erving Waters, Glenn Parsons, Lincoln Dempsey and Lorrin Ferdinand, bus drivers; and Superintendent of Schools E. V. O'Rourke.

SUNBEAMS

By WALTER M. BARRETT

Unless you have been previously advised, we are now right in the middle of Fire Prevention Week—that time of the year when all necessary precautions to prevent fires during the coming winter months should be taken. While fire prevention should be practiced every day of the year, now is an ideal time to check up on your flues, chimneys, wiring and other causes of fire. Check too, in the basement and attic and eliminate all unnecessary inflammable materials. Don't gamble with fire—the chances are against you. If you have any doubts about your wiring, furnaces, stoves or other potential fire hazards, better call in an expert and be sure, but above all make your home and business safe.

On the subject of fires it might be well to remember that the hazards in the forest are not over by any means. The tinder dry grass and brush would ignite with a spark and with prevailing winds might easily sweep over hundreds of acres. We have enjoyed a comparatively fire-free season and it would be a shame to spoil this record at the last minute. Follow the simple rules when you visit the woods and report immediately any indication of carelessness.

A little plug for the Sierra Sun: Our stock of Christmas cards is the best we have ever had. Drop in and make your selection as soon as convenient. Christmas is only a few weeks ahead.

Summit Robber Leaves 'Thank You' Note As Thompson Home Looted

A very polite, if unscrupulous, robber is being held in San Francisco charged with the theft of $150 worth of clothing and other items from the home of Mr. and Mrs. Roy Thompson at Soda Springs.

Deputy Sheriff Roy Waters was called to the Thompson home this week after the home owners returned from a vacation to find their house had been broken into and looted. Waters immediately called Sheriff Wayne Brown and an all-points bulletin was broadcast giving a description of the loss.

A short time later the San Francisco police notified the sheriff that they were holding Gerald Williams, 21, who had admitted the robbery.

What irked Thompson was the fact that the hitchhiker after eating and drinking and taking his clothng, left a note which said in effect: Thanks for your hospitality. It was fully appreciated but next time you leave and shut the water off please leave instructions on how to turn it on. I was without water.

Carnival Plans Will Be Made At PTA Session

A regular meeting of the Truckee Elementary School Parents and Teachers Association will be held at 8 p.m. on October 11 with Mrs. Gilbert Kumle presiding.

Plans for a carnival to be held in the school building during the early part of November will be discussed. The proceeds will be used to provide some extra, worthwhile project for the school.

Members of the committee in charge of arrangements for the event, with room mothers, will hold a meeting on October 12. Mesddames Chester Marquis, Daryl McGihon, Muriel Frey, Charles Kay Douglas Wilson and Mr. and Mrs. Lynn Kishbaugh and Frank Giovannoni have been named on the committee.

Those wishing to contribute white elephont packages for the coming carnival may contact Mrs. Kumle.

The president has extended an invitation to attend the regular meetings to all interested persons.

Locals Injured In Two Car Mishaps During Past Week

Car Ditched When Lights Fail On Highway Near Summit

Six local people suffered injuries, none of them serious, in two motor vehicle accidents during the past week.

David N. Peterson and Raymond Dixon, both 18, of Truckee, were injured when a car driven by the former plunged off the highway near Kingvale and crashed into a utility pole, badly damaging the car registered to Alfred McGee of Nevada City.

Peterson was cited by Patrolman Carroll Maynard for speeding, being on the wrong side of the road and not having an operator's license.

Both were taken to the Tahoe Forest Hospital where they were treated by Dr. George Hahn.

In the second mishap minor injuries resulted from a one car accident which occurred Monday night a mile and half east of Rainbow Tavern when the vehicle driven by Robert George Arney of Kings Beach went down an embankment approximately seven feet landing upright after the headlights suddenly failed.

Passengers, Miss Betty Hall, 22, Kings Beach, suffered minor injuries and bruises. Harry Stephen, also of Kings Beach, was not reported injured, while Jack Ellis of Truckee sustained an injured back.

The group was treated by Dr. B. King in Tahoe Forest Hospital.

Patrolman Maynard investigated.

STATE EMPLOYES TO NOMINATE OFFICERS

Officers for the new year will be nominated at the meeting of Donner Chapter of the California State Employes Association slated for tonight at 7 p.m. at Cozzi's Cafe.

The group will also discuss winter activities and hear a program to be provided by Sgt. Ed Freeman and ther officers of the California Highway Patrol. All members are urged to attend.

Officers nominated will be elected at the November session. Present officers include Daven Morey, president and Heslin Cardinal, secretary.

DAN PAZIN EXPIRES AFTER LONG ILLNESS

Funeral services were held yesterday afternoon at 2 p.m. at the Truckee Colonial Mortuary chapel for Daniel Pazin, for many years a resident of Truckee and a cook in several of the local restaurants. Interment was in the Truckee cemetery.

Pazin died Saturday night in an Auburn hospital following a prolonged illness. Two years ago the deceased left here to make his home at Colfax. So far as can be determined he left no relatives. A brother, Louis Pazin died several years ago.

ELF PROMOTED TO DIXON BANK POST

Mr. and Mrs. Roy Elf and family left Saturday for Dixon, Solano County, where they will make their future home and where he has received a promotion with the Bank of America.

For the past four and a half years Elf has been chief clerk at the Truckee branch of the bank and will serve as assistant cashier in the Dixon branch.

Succeeding Elf here will be O. J. Larrivee of San Leandro who has taken up his new duties. The family resides in one of the Reg Smart homes on Church street.

Elf had been active in community affairs during his stay here and was district chairman for the Boy Scouts, treasurer for the local Salvation Army committee and had other similar posts. Mrs. Elf recently had been employed at the office of the Truckee Public Utility District, a position still to be filled.

IN Cast—

Mrs. Frank Quilici may have to spend two months in a cast, due to a neck injury. Her friends are hopeful for an early recovery.

"Mr. Railroad" Retires

MERLE L. JENNINGS, veteran superintendent of the Southern Pacific Company's Sacramento division, who was feted by fellow employes, friends and associates upon the occasion of his retirement last Thursday. Mr. and Mrs. Jennings plan to spend much time at their Truckee home where he will indulge in his favorite sport—fishing on the Truckee river.

Jennings Honored At Retirement Party

ROSEVILLE—More than 150 associates and friends of Merle L. Jennings, veteran superintendent of the Southern Pacific Company's Sacramento division, gathered Thursday night in the Sierra View Country Club at a dinner to pay him tribute on the eve of his retirement.

Jennings retired after 48 years of service on the rail line which started when Rocklin was the chief terminal on the division.

The dinner was sponsored by the Roseville Area Chamber of Commerce.

Jennings, speaking briefly, said: "I'm glad to retire, first because I'm 65 and second, I have had virtually no home life since I was married 45 years ago and now I intend to get acquainted with Mrs. Jennings."

At a company retirement party given at "Mr. Railroad's" office, the superintendent was presented with a number of gifts in appreciation for the outstanding work he has done during his many years of service.

Boys With Stolen Car Are Nabbed Promptly

Fifteen minutes after Constable N. F. Dolley was notifed by the Reno police that two boys had left the Last Chance service station just west of Verdi without paying for a tank of gasoline, two brothers, aged 16 and 15 from Orangevale were in the Truckee jail charged with the theft of two cars.

The boys admitted taking a car at Modesto or Stockton which they abandoned at Roseville and took another which they had when arrested. The said they wanted to visit Lake Tahoe.

Monte Neugebauer Is Honored On Birthday

Mrs. Jack Neugebauer entertained on Tuesday afternoon, October 5, in honor of the birthday anniversary of their son, Monte, who was three years old.

Colorful Hallowe'en favors carraied out the motif chosen for the affair which was shared by 12 mothers and the following small friends of the celebrant: Sandy Ferdinand, Lynn Nation, Denise Robinette, Danny Foster, Jimmy Digesti, Bruce Leamon, Kathy Street, Linda Russell Chris Kumle, Chris Ellis, Sheryl Kase, Scott Burns and Jan Scow.

INSPECT DUCKS

William Curran and Joe Mattos were in Fallon, Nev., on Sunday, taking equipment to their cabin, preparatory to duck season which will open in that district on Friday, October 8. Both local men report that the ducks will be plentiful.

DRIVER HURT

LeRoy Stewart of San Francisco is in Tahoe Forest Hospital for injuries received in an automobile accident which occurred at 5:45 a.m. Tuesday, one mile west of Cisco Grove.

Murder Possible In Discovery Of Man's Skeleton

Hunters Unearth Body Near Highway East Of Floriston

Efforts were being continued today by local and county officials to identify the body of a man found Saturday afternoon in a shallow grave only 50 yards above Highway 40 half a mile west of the Sierra County line.

Constable N. F. Dolley blasted a theory that the body may have been that of Daniel J. Shenk, Sierra Ordnance Depot guard, missing for approximately a year, when he said the body had been where it was found for perhaps four or five years.

The discovery was made by two deer hunters, Julius Smits of Floriston and Lloyd McGuire of Verdi who were dragging a slain buck down the ravine when the animal's carcass unearthed a man's hand. Further search revealed other parts of the skeleton.

The two called Dolley and the latter accompanied by Coroner Alvah Hooper and Deputy Sheriff Roy Waters started the investigation.

Dolley said that while there was not immediate means of identification remaining, the body was that of a man perhaps six feet four inches tall and well over 200 pounds. There were no teeth in the skull indicating the victim wore dentures.

The possibility that a murder-robbery may have been responsible for death was seen in the fact that a leather money belt found at the scene had apparently been cut off and the pocket flaps were open. A pipe, pocket comb, a partly decomposed pair of 10-inch working boots and sundry other items were discovered in the grave which Dolley estimated could not have been more than eight inches deep. No finger bones were found and the investigators found that several ribs had been broken. This may or may not indicate that the man had been beaten before his death.

Among the items unearthed were a medal of St. Jose Roglia, a Southern Pacific Company employe button, a decomposed knap sack and a red-handled knife.

The body was taken to the Truckee Colonial Mortuary and later interred in the Truckee cemetery.

Smokers Blamed For Two Fires Near Here During Past Week

Careless smokers in the forest were believed responsible for fires Nos. 17 and 18 which occurred Sunday and Monday, according to Henry Toccalini, local Tahoe Forest dispatcher.

Employes of the Tahoe Timber Lumber Company, getting ready to go home at 5 p.m. were credited with surpressing an incipient fire one-half mile east of Hirschdale, north of Highway 40. Despite the quick action of the men, an estitimated half acre of grass was burned over.

The U. S. Tahoe Forest Service crews and Les Cavanagh with a Fibre Board Company tanker, battled a blaze which occurred near the road on the Brockway cut-off to Kings Beach, one and one-half miles from the summit on Monday evening at 5:30 p.m.A quarter acre was charred as the result of a careless smoker's action.

MAN BURNED WHILE FIXING LOCAL TRUCK

Julius D. Geherke, Truckee, who is employed by G. E. Lewis is in the Tahoe Forest Hospital with second and third degree burns on both hands and arms as the result of an accident just south of Sierraville Tuesday night.

Geherke was returning from Graeagle when he came across a Truckee-Tahoe Lumber Company truck stalled on the grade. He stopped to assist the driver and in some manner his arms were saturated with gasoline. Not having a flashlight, someone lit a match and in the resulting flash, Geherke was badly burned. Dr. George Hahn is attending him.

Julius Geherkes Are Parents of Daughter

Mr. and Mrs. Julius D. Geherke of Truckee are parents of an eight-pound, seven ounce daughter, Donna Marie, born at the Tahoe Forest Hospital Thursday September 30. Dr. George Hahn is the attending physician.

Dancing Dates

Square dancing will be enjoyed at Veterans Memorial building tomorrow evening starting at 7:30. It has been decided by the local followers of old time and folk dancing to meet at the hall here every other Friday night and at Kings Beach on alternate Saturday nights.

SUMMIT SCENE
by FRAN COUILLARD

DONNER SUMMIT—Sept. 30.—"The stag at eve had drunk his fill—where danced the moon," and stuff keeps coming to mind after a week end of stags, stag parties, stag camping and stag hunting. Our Kingvale quiet Paradise which we had to ourselves for a full week awakened to the call of the stag horn when horses, jeeps, trailers, boats (all filled or conveyed by stags) invaded the park and dotted the premises with scraps of red—converting our stately, mellow turning fall trees into one vast Christmas tree hung with red ornaments. As we hung clothes on the line, last Saturday morning—we put on our red underwear, and our red hat for the bullets whined and whistled close enough for us to duck once in a while. Our own place became a stag haven when five stag hunters staggered in on Friday evening—each with a car, two with boats, one with outboard motor—each with bed roll—and all took over. Peg Travis and myself—the only two women, took over the kitchen range and the dishwashing detail and gave up the rest of the place to the stags.

Sounds of revelry prompted us to leave to see if such a strange thing as a woman could be housed in one of the cabins but our reception by various stag parties made us both feel as tho' we should have left the country for that particular weekend. Seems the thing to do is to stay up all night and await sun up. Hotcake dough and coffee, strong enough to eat the bottom out of the coffee pot awaited us when we arose—after the hunters had left. An inch of bacon grease in the frying pan and syrup on the table cloth. My guests, brother Willy Hack, brother-in-law, Don Lyon, ones George Fedorko, Harold Harvey and Jim Duncan—all of Sacramento haven't missed a deer season opening for years (and always accompanied by the inevitable chili beans—which always arrive sour after a long hot trip). Only deer bagged was by bother-in-law Don Lyon who had expended quite a sum on a new rifle which has caused a few wifely bickerings from Sister Lois. However, Lois is appeased now that Don is bringing home "the rabbit," as he proudly "talks down" his "catch."

"Over the River and through the Woods," "Van Van Alstyne—Sacramento electrical contractor—had the same kind of a deal going on—sans women! Van brought along his own cook—a man! I was nicely welcomed, in my "checking" but the inference was that no women belong in the area on the sacred rites of deer season opening! (Confidentially—I hope that the biggest bucks in the whole area were bagged by the fair sex!)

Hotel owners who usually say "We don't get much out of deer season because everyone camps out," will have to explain their crammed full parking lots for this past weekend. A couple of bartenders tell me that never before, on opening season, have they had such business. Dorothy Bacon at Cisco and Carol Helgren at Helgren's Lodge say best ever for them. In our years of sojourn we have never seen Cold Springs and Hampshire Rocks (camping grounds) so loaded—and we do mean that the summer months were no exception.

An interesting "note" is that we saw more trailers with jeeps loaded than we did with trailers horse loaded. One wag said "never saw this many jeeps in the army." So that's the way it was and we're wondering how many really bagged them. It's a cinch there weren't enough of our woodland friends for the many hunters that boomed and banged in our native hills.

Evidences of winter are already with us. Talked with George Rudolf and his charming wife, Gabriel, who had made a trip up to their former Soda Springs haunts—to rent the big Rudolf cabin at Soda Springs to doctor and wife and family of children for the winter's skiing. Forgot the doctor's name—but you'll be hearing it soon. A couple of new cabins being built at Cisco Grove for skiers to live in. Quite a few requests we have from various clubs being "Do you know of a place our club can rent for the winter?" Confidentially, I do—if anyone is interested.

Billy Gray lights up his oh so charming place for deer hunting. Lonnie Goss plays a game of woodland checkers and he "spots" and "jumps" one group of camping hunters—so that they will not be in the shooting range of another group. Busy, busy, busy!

Bud and Barbara Zorich take off for Silver Lake for opening—when they have the creatures in their own backyard. Good excuse for Barbara to visit with her folks whilst the men shoot. John Carl, Elmo Moriano, Milt' Hogle—(locals) all seen with rifles tucked under their arms. Hogle does it in style as he rides to the top of Beacon Hill in the Soda Springs chair lift. (Last year he brought down his catch in the skiers' conveyance. Haven't found out whether his buck took a ride yet this year or not).

Meet Ed Schwertz — visiting Marsh' Finch and Elmo Moriano at Beacon Hill. Old friend of both of Elmo's and Marsh's.

News from the Cisco area: Big forest fire on McIntosh Hill starts the morning of opening. Campers—say the Cisco people. "Drafted" were the unwarned—such as cabin builders, hunters, etc. Everybody pitched in and helped. This moon (Sept. 27th), hear that the fire is controlled but will take surveillance for a few more days. Inmates of Preston Industrial School taken to the area to help. A couple of them (one to be paroled in a short time) escaped—made their way to the Cisco Grove store and service station and helped themselves to Dot and Bert Bacon's car. "First time I ever remember not filling up the car with gas," said Dot. Consequently, on account of no gas— the young inmates had to abandon the car in the Nvack Lodge area. All we could find out was that said car will need a new ignition—but outside of that same is unharmed. According to Highway Patrol—the Preston boys are still in the area.

The gun cases, sleeping bags, empty cans, big, dusty boots, bullets, maps, flash lights, red shirts, compasses, hunting knives, razors, and army blankets—have disappeared from our front room. Another deer season opening is behind us.

Patrol Warns Against Following Too Close

"It is good driving practice not to follow another vehicle too closely. It's also the law," said Sgt. Ed Freeman, in charge of the Truckee squad of the California Highway Patrol.

"The law states that the driver of any motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicle, and the traffic upon, and the condition of the roadway," he explained.

"Many serious front end-rear end collisions could be avoided if all motorists would keep a safe distance from the car ahead. A good following distance rule is to allow at least one car length for each 10 miles per hour of speed," he added.

The California Academy of Sciences in San Francisco is composed of Steinhart Aquarium, North American Hall (also called Museum of Natural History), Hall of Science. Morrison Plantetarium and Simson African Hall.

Teacher Examinations Is Called By State Board

Examinations for teaching positions in state institutions and for several other civil service openings were announced today by the State Personnel Board.

October 15 is the final date to apply for examinations for youth authority teacher, elementary teacher and home economics teacher. The test date is November 6.

Entrance salary of these jobs is $341 to $395, depending on academic qualifications. They are with the youth authority and the departments of mental hygiene and corrections.

Men with a California teaching credential in industrial arts may qualify for instructor in industrial arts at a salary of $376 or $395 to start, depending on qualifications. Applications must be submitted by October 22.

California has seven "landing regions" for commercial fishermen.

Assistant Super For S. P. Division Named

Effective October 1, Samuel B. Burton has become assistant superintendent of Southern Pacific's Division, Robert A. Miller, new division superintendent, announced today. Burton will be succeeded as trainmaster by Robert L. King, former assistant trainmaster.

The new appointments come as a result of Miller's succeeding Merle L. Jennings, whose retirement October 1 was announced last month.

Burton joined Southern Pacific in 1940 as a telegrapher on the railroad's Salt Lake Division. In 1942 he was appointed dispatcher and in 1946 assistant trainmaster.

In 1949 Burton was assigned to the Portland Division as trainmaster and transferred to the Sacramento Division with that title in June, 1949.

Robert L. King, who succeeds Burton joined SP in 1944 as secretary to the superintendent of the Rio Grande Division. He was appointed terminal trainmaster of that division in 1948 and assistant trainmaster, Tucson Division, in 1949. King came to the Sacramento Division as assistant trainmaster in 1952.

GASOLINE TAX IS RETURNED TO COUNTY

SACRAMENTO (CNS) — State Controller Robert C. Kirkwood said today that gasoline tax revenues apportioned to Nevada County for July amounted to $20,237.

Kirkwood reported $22,224,098 in highway users funds were distributed to city, county and state highway construction funds during the month.

This was an increase of $951,095, or four and a half per cent, over June.

A year ago, the increase in July over June amounted to over three million dollars, or 17 per cent.

Kirkwood said funds distributed during July were derived from the following sources:

Net gasoline tax, $19,519,775; diesel fuel tax, $1,359,188; transfer from motor vehicle transportation tax fund, $1,342,861; miscellaneous, $2274.

NOTICE OF HEARING
BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Joseph H. SANDERS to abandon a water system in Truckee, Nevada County, California,) Application No. 35733
Known as the SANDERS & GEBHART WATER COMPANY.)

NOTICE IS HEREBY GIVEN that the Public Utilities Commission of the State of California has set the hearing in the above entitled matter before Examiner Daly for Tuesday, October 26, 1954 at 11:00 a.m. in Capitol Hall, Truckee, California, at which time and place all interested parties may appear and be heard. A copy of the application is available for public inspection during business hours at the office of the Public Utilities Commission in San Francisco.

BY ORDER OF THE PUBLIC UTILITIES COMMISSION.

Dated at San Francisco, this 30th day of September, 1954.

R. J. PAJALICH,
Secretary
Public Utilities Commission of the State of California.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Members of the North Tahoe Community Club met in Carpenters Halls at Kings Beach last Wednesday night, transacting important business. The club purchased a resuscitator which will be carried on the fire truck and will be available for any group or person when the necessity arrives. The matter of organizing a corporation to handle the fire district was discussed, and a committee to sit in with the fire commissioners was named. Mac Burroughs, the instigator of setting up the North Fire Control, gave an excellent report on the conditions and it was intimated that still another couple of thousand dollars are needed to put the fire control on its feet. There are 15 firemen who are on a level with any group on the lake, Max Kreuger is the chief, and Howard (Curly) Mason is the permanent driver of the apparatus, and by the way has done an excellent job all through the very busy season, as have the rest of the volunteers. New officers were elected and installed. President Fred Schultz; vice president, Robert Stevenson; secretary, Steven Port; treasurer, Rube Welch; corresponding secretary, Max Kreuger. The next meeting will be held during the month.

Deyle S. Barnett is building a home for his family on the north side of Kings Beach and is busy at the moment putting in the cement foundation, which business he is a past master.

Ira Blair had as his visitors last weekend his brother and sister-in-law, Jess and Maisie Blair of Oakland. No fish, no deer, oh dear, oh dear! Hoping for better luck next time.

Monday, October 4 and to those that have left, and yet lucky enough to still get the Sierra Sun, it is the most beautiful day of the year and the temp is 69 degrees, the lake like glass, and still lots of people around. And by all indications there will be all winter. Chamber of Commerce or not it is the most beautiful place in the world. Too bad the other hundred and sixty million have never seen it. What they have missed, huh?

Art and Mrs. Muhler of Pasadena had a most beautiful week at Kings Beach, staying at the Ashtons. Art got himself a cute little deer. Was he tickled?

Mrs. H. O. Comstock has left Brockyay for Berkeley to visit her son, and then on to Altadena to visit her other children. Hans Reiss has been doing the chauffering and enjoyed it immensely.

Mr. and Mrs. Al Wolf of Stockton were weekend visitors of Tom and Theresa Sutton and by all accounts it was most enjoyable for all. "Oh this lake is wonderful," say the Wolfs.

Bake Frye was bragging last week about the deer that he caught napping. His bragging was short lived, as his wife, the first woman to get a deer, around this area, got one more than twice as large. Around 160 pounds and just as pretty as could be.

Now they tell us from San Francisco, Rebecca Welles, daughter of Rita Hayworth is going to school at Kings Beach (fourth grade) riding back and forth on the school bus from Incline Beach.

Carl Christiansen of Christiansens' Beachside cottages opposite the Brockway cutoff at Kings Beach is buliding more cottages and they are going to be dandies, too. Don't mean to get stuck next season, says Carl.

Alice and Andy Sorensen have returned from their trip to Florida, took Rays' car and returned by train. Nice trip, and Ray is swell.

Francis Wallace has the cutest little peke dog that is, just like a child she treats it, and its name, Puff Ball.

Dr. Allen Sklar, I am told, is to open up an office in Tahoe City in the very near future. I think it is just for the winter, but anyhow it is going to be wonderful for the folks down there.

Mr. and Mrs. Edouard Robert of the Sky Blue Waters, Kings Beach, are leaving for their home in Petaluma after having a real delightful summer here.

And Mrs. Mary Sutbley has been up for a few days, and we have been trying to get her to come up for the good old winter. How she would enjoy it.

Mrs. O'Connor tells me they have some friends by the name of Mr. and Mrs. Chenowith coming as their guests this week, and by the way, the O'Connor house has had its face lifted. Looks good too, by golly.

Mill Miedema is already on his way back to navy duty, back to old New Orleans. Carol and Robin will stay here for a while.

Michael Benning, Jr., called on his father and mother at Kings Beach upon returning from Sacramento on his way to Salt Lake City, working in the Gingham copper mines. He is foreman on the outfit.

Hugh Johnson of the golf course is having new porches built on his home, and expects to do more repairs come spring. Dave Ashton is doing the work.

Stella Woldemar of Carnelian Bay, had as her guests, Ben and Mrs. Sampietro, Mr. and Mrs. Angelo Bonomi, Mr. and Mrs. Clay Olmsted, Mr. and Mrs. Ed Bonnefoy, all the visitors are from Petaluma. They all hunted to beat the band but no deer.

Well, what do you know, Mrs. Ella Blake is home from the Tahoe Forest Hospital and with a little rest will be just as good as new, we hope.

And now its Ray and Helen Ehlers have a family, two of the sweetest youngsters as you would wish to see. One boy, Johnny, and one girl, Candy. Last week no children this week two. Can you beat that?

Oh, yes, Mr. and Mrs. Done Painter of Lake Forest have a sweet little girl, too and the name is so cute—Donna Lou—and are they crazy about her. No wonder, she's the lovliest lump of cuddle.

Well, the sirens have just blown and the fire truck is on its way. There was quite a fire on the side of the road on the Brockway cutoff, so for heaven's sake be careful, the fire hazard is not clear yet.

The dinner held at the Community Church was a huge success, and very gratifying to Rev. Covher. Now we must get the habit of going to church too, let's start this Sunday! Won't you come?

From where I sit ... by Joe Marsh

"Blind Man's" Bluff

You know how Handy Turner down at the hardware store goes in for weird advertising stunts. Well, when it came to plugging his new Venetian blind department, his enthusiasm nearly landed him in trouble.

Handy painted a warning on the tailboard of his truck: "Caution—blind man driving."

"Had driven about a mile," Handy says, "when a state trooper stopped me and told me that sign might cause trouble. Guess he was right. From now on I'll advertise in the *Clarion*."

From where I sit, I agree—the highway is no place for jokes. We all ought to be considerate of the other fellow when we're driving. In fact, let's respect our neighbor's right of way *always*. Then, when we have differences of opinion—say about the best route to Centerville, or whether beer or buttermilk is better with lunch—there will be less chance of anybody developing any "blind" spots.

Joe Marsh

CAL-NEVA LODGE UNDER ATTACK BY NEVADA TAX BOARD

CARSON CITY—The Nevada Tax Commission has voted to investigate the apparent failure of the Cal-Neva Lodge at Lake Tahoe to give away a 1954 Cadillac offered as a prize to bingo players.

Commission Secretary Robbins Cahill was authorized to conduct an investigation and if necessary to call the Cal-Neva's operators before the seven commissioners for questioning on this and "other matters concerning their operations during the past summer season."

Members also discussed the possibility that the gambling club's general gambling license might not be renewed for the summer season of 1955.

The club has closed for the season and so far the commission has received no application for a renewal for the quarter which begins today. The casino generally seeks gambling licenses only for the summer season at the lake.

Cahill said the commission had received numerous complaints that the gambling club failed to give away the Cadillac at the close of the season as had been advertised widely.

Mr. and Mrs. Leon Barker of Kings Beach will spend some time in San Francisco.

SEPTEMBER CLUB MEETS AT LODGE

TAHOE VISTA—A festive week has drawn to a close at the Dunes Resort, the occasion being the annual visit of many guests. The group enjoyed hikes, beach parties, annual barbecue and cocktail party.

Twice during the week one guest, Dr. George H. Muller of Pittsburg, showed pictures of previous visits to Lake Tahoe and also pictures of a recent trip he and Mrs. Muller took to the Hawaiian Islands.

The guests have appropriately named themselves the September Club and plan to meet again next year.

Those participating in this gala event were: Mr. and Mrs. Nick Powell of Los Angeles; Mr. and Mrs. Frank Barcus, Oakland; Dr. and Mrs. George Muller, Pittsburg; Mr. and Mrs. Leon Lerman, San Francisco; Mr. and Mrs. George Crawford, San Anselmo; Mr. and Mrs. C. H. Kinney, Mrs. Kinney's mother, Mrs. G. Bugg and friend, Mrs. Mae Neidt of Berkeley; Mr. and Mrs. E. A. Dasteel, Los Angeles; Mr. and Mrs. John Martin, Montebello; r. and Mrs. Willy Larsen, Lafayette.

Commercial hand pollination of dates has been practiced since ancient times.

PATHFINDER CLUB IS ORGANIZED BY CHILDREN AT LAKE

KINGS BEACH—A new club for children of the 3rd, 4th, 5th, and 6th grades was formed last Monday at Kings Beach, under auspices of the Christian Education Commission of the Methodist Community Church.

Mrs. A. E. Abbott, commission chairman, was present to assist Rev. and Mrs. Covher with the program of worship, study, recreation and refreshments. Twenty-five future communty leaders were present and enthusiastic to get the Pathfinders Club started.

A special badge of membership, consisting of a compass with a mirror on the back was chosen as the club insignia. "He leadeth me in the paths of righteousness . . ." (from the 23rd Psalm) was chosen as the club motto. The club song is "Follow, I Will Follow Thee My Lord."

Miss Joan Decker was elected treasurer of the club. Dues were set at 5 cents per week, with initiation fee at 25 cents. Requirements for membership are as follows: (1) Learn how to use the compass (three facts, with their spiritual counterpart, (2) Memorize the 23rd Psalm, and club motto, (3) Pay the initiation fee.

Those who meet these requirements will be duly initiated into the club and presented with their personal badge of membership.

Tahoe Items

Mr. and Mrs. William Del Carlos returned to Oakland and then left for a trip to Trinity River country where they did some steelhead fishing.

Mrs. Fern Schleuter is enjoying her fall visit to Oakland. Hank Slade left Tahoe City last week to go to Cathedral City for several months where he will have medical treatment.

A new pupil in the fourth grade at Kings Beach School is Rebecca Welles, daughter of Rita Hayworth, who is reported to have rented a house nearby.

Mr. and Mrs. Louis Celia have left Tahoma for Berkeley, reporting a wonderful summer spent at the lake.

The long curving waterfront of San Francisco is called the Embarcadero.

SKI CLUB TO HOLD FIRST ANNUAL MEET WITH GOLF CONTEST

TAHOE CITY — First annual Squaw Valley-Lake Tahoe ski club golf tournament will be staged Sunday, October 10, on the Tahoe City course.

All competitors will literally be on a "par." Under tournament rules, entrants will be limited to use of only one club and a putter. Gordon Butterfield, club president, pointed out that the event was designed primarily as a membership drive to launch the new club's program. Nevertheless, handicapping will be done under the Calloway system in this free-for-all tourney.

Carl Bechdolt, Jr., tournament director said no green fee would be charged. However, membership in the new consolidated club would be a prerequisite. For the convenience of golfers and spectators, the $3 membership cards will be sold right at the clubhouse.

Entrants may tee off anytime between 10 a.m. and 1 p.m. on Sunday and no advance sign-up is necessary. Women will play nine holes, while men will be required to go the full 18.

Following the competition, more than a dozen prizes will be awarded the outstanding players at a wiener roast. Mrs. Floyd Carnell and Mrs. Blanche Donaldson are in charge of the post-tournament barbecue, which will be held at the clubhouse at 3 p.m.

SCOTCH TOURNAMENT IS HELD AT TAHOE

TAHOE CITY—Forty-two persons entered the crazy, mixed-up Scotch foursome golf tournament staged on the Tahoe City golf links, yesterday, Sunday, by members of the Tahoe City Rotary Club. So popular did the event prove that it is planned to make it an annual affair from now on. President Bill Connors of Tahoe City was chairman of the contest assisted by his committee members, Don Snyder, Steve Korich, Rick Giannini, Bob Leonardini, Jim Martin and Tony Donadio.

Unlike regular golf the players were teamed in pairs, one man, one lady, one iron, one putter, over a nine-hold course.

First place winners were Bob Leonardini and Bea Riola; second place went to Jay Shontz and Rose Leonardini and third place was taken by Warren Porter and Mrs. Alma Guth.

Messrs Snyder, Korich and Giannini served as chefs in barbecuing the chicken which was served 75 members and guests at the conclusion of the tournament.

Clerk of the Board of Supervisors

You Can be a Riley, too!

You remember Riley, the man everybody wanted to live the life of. Well, *his* idyllic life couldn't even touch the luxurious comfort that's all yours when you're in a modern Pullman room on an S. P. Streamliner!

You have all the space you need, to rest and relax. You have all the privacy you want, plus room service if you wish. You have your own individually-controlled air conditioning. You have one of those wonderful full-length Pullman beds, with clean sheets every night. You have your own private toilet facilities. You have all the attentive service of a top-flight hotel.

If you want company, you can stroll off to the Lounge Car for games, refreshment and the stimulating conversation of congenial people. And the food in the Dining Car? Riley never had it so good!

Next time you travel, try the regal comfort of a Pullman room—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve in advance.

FREIGHT GETS EXCELLENT TREATMENT, TOO. We wouldn't go as far as to say that your freight will live the life of Riley when you ship via S. P., but we do say your merchandise will get careful, dependable and fast handling. We have more miles of line serving more Western cities and towns than any other railroad. So if you want your freight treated right—whether carload or l. c. l.—call our nearest agent.

Tahoe-Truckee School District News

DONNER TRAIL ELEMENTARY

All of us as a group have decided to make folders. These folders will be filled with items in school which interest us the most. Each child will have a folder of his own. We feel that by the end of the year we can each have about one hundred and fifty items for each folder. We will work on these in our spare time only.

The younger children are busy making their houses from wood that they brought from home. Our sand table is progressing nicely. We have chosen the book Farm Boy as our theme and will make the farm that is in the book for our own sand table.

KINGS BEACH SCHOOL

Kindergarten and First Grade: We had a visitor spend a day with us this week. Beverly Bergman brought her friend Ricky. Ricky goes to school in Oakland.

Kathy Chastain returned to our classroom Monday after spending two weeks in Oakland. On her first day back to school, Kathy became ill and was out the entire week.

Susan Clackett had a very mild case of chickenpox.

Vern Wing brought some crawfish to show us.

Linda Ford's big brother, Bobby, has been letting our class listen to his records. We have enjoyed them very much.

Mike Dacus left Kings Beach and will be going to school in San Leandro.

Second and Third Grades: Larry Free brought a cactus to school Thursday.

This week, many crawfish were washed up on the shore of Lake Tahoe. Mrs. Wing brought several live ones and a few cooked ones for us to see how they change to a red color when they are cooked.

Pat and Diane Dacus moved to San Leandro for the winter months. We will be happy to have them with us again next spring.

During our health lesson this week, we listened to the record, "The Noisy Eater." We had a discussion on good eating habits.

Fourth, Fifth and Sixth Grades: We are starting to get a nice collection of minerals on our science table. Some of the minerals are copper agate, sulphur and rocks of crystal formations.

Valerie Mandeville brought some live crawfish for study.

John McGoughey has gone to Palm Springs. He said that he might be back soon or next spring.

Our series games in baseball turned out to be closer than the real world series. The final game was 5 to 4 in a well-played contest.

Kindergarten: "When I Grow Up" was the big issue Friday in the Tahoe Lake Kindergarten. The first to state she wanted to be a policeman was Mary Lou Sartor. Randy Bowman, Jon Kehlet, Jimmy Sergi, Chris Beavers and Darlinda Stark also decided to be policemen. George Speeter will have a Jaguar. Mary Spitsen wants to be a sheriff Johnny Carnell a fireman and cowboy, Rae Lee Grahn wants to own a candy store as does Barbara Broyles. Sammy Glasser wishes to be an ice cream man; Martin Lorentz not only will be an ice cream man but a pilot, too. Vicki Jones chose to be a nurse. Kim Marvin wishes to work for the telephone company and carry a gun. Jimmy Bechdolt wants to be a farmer and milkman. Dick Pomin will be a pilot.

First and Second Grades: The nurse's visit stimulated the group to write a new chart stating reasons for her visits to school. A delightful portrait of Mrs. Patnoude was chosen to illustrate the chart.

Third and Fourth Grade: We are studying about conservation and destruction and writing stories on how to treat our forest, and things that we should not do to our forests.

Fifth and Sixth Grade: Thursday and Friday thetwo classes had achievements. The PTA is going to make a potluck dinner on Thursday, October 14, at 7 for the parents to get together. Our two grades are making posters to advertise this coming event. We have been working to improve our printing of upper and lower case letters.

TRUCKEE ELEMENTARY SCHOOL

Truckee Elementary School has been enriched with the addition of Mrs. Benita Bissett on the first of this month. Mr. E. V. O'Rourke, superintendent of the school, has been attempting to locate a teacher to relieve Ruth Croxen's crowded first grade. At the beginning of the second week it became apparent that another teacher would be needed for the 42 pupils enrolled. Since the first grade is the place for building many skills and concepts for learning in subsequent years. The employment of an additional first grade teacher seemed advisable. Mrs. Bissett is a former local girl who has been educated at the University of Nevada and the local high school. She had the position of first grade teacher for two and one-half years in Maryland, where her husband is completing his work for a law degree.

Kindergarten: The kindergarten children have been finding many daily uses for numbers and number concepts. Each morning the number of boys, girls, and total number of children present, is found by "counting feet by pairs"—the total number of children becoming our milk count. In the games we play, numbers are important.

Every day a new concept of quantity or size is introduced into our daily activities.

Later in the year the children will learn to recognize the written numbers from one to ten.

First Grade: The first grade has been working on the number concepts from one to ten. They have been counting out papers, pencils and school supplies for the class groups. During the semester they will have experiences in telling time, use of the thermometer for weather charts, and mesauring in connection with our home unit, as well as carrying the number concept on to 100.

Second Grade: We have reviewed writing figures and number names to ten. We write numbers from one to one hundred.

We are learning to add and subtract. We can add three numbers in a column.

Third Grade: The major concepts in the third grade arithmetic are: Counting, writing numbers, reading numbers, recognizing number sequence, place values, signs, terms and vocabulary used at this level of arithmetic.

Fourth Grade: We started the year with a review of what numbers mean and the fundamentals of addition and substraction. Most of us are ready to start multiplication and division. Building and understanding of the meaning of these two will come first. In learning and practicing number ideas we shall learn to interpret word problems so as to be able to use the skills learned. Problems of measuring, understanding fraction, telling time and others will be discussed throughout this period.

Fifth Grade: We have been reviewing some of the different arithmetic processes, such as addition, substraction and multiplication. We know that division is a useful thing to know however, since it is a much shorter way to do substraction.

Sixth Grade: The first few weeks of this school year was spent in reviewing the multiplication facts, since these form the foundation for most work learned in sixth grade mathematics. Most of us found that we knew most of them and with a little reviewing we would soon know them spontaneously. Consequently by studying them at home each night for a few minutes and with continued practice and drill at school we would know these facts well.

Lately we have been putting our knowledge to work by doing multiplication with one, two and three figure multipliers and division with one, two and three-figure divisors.

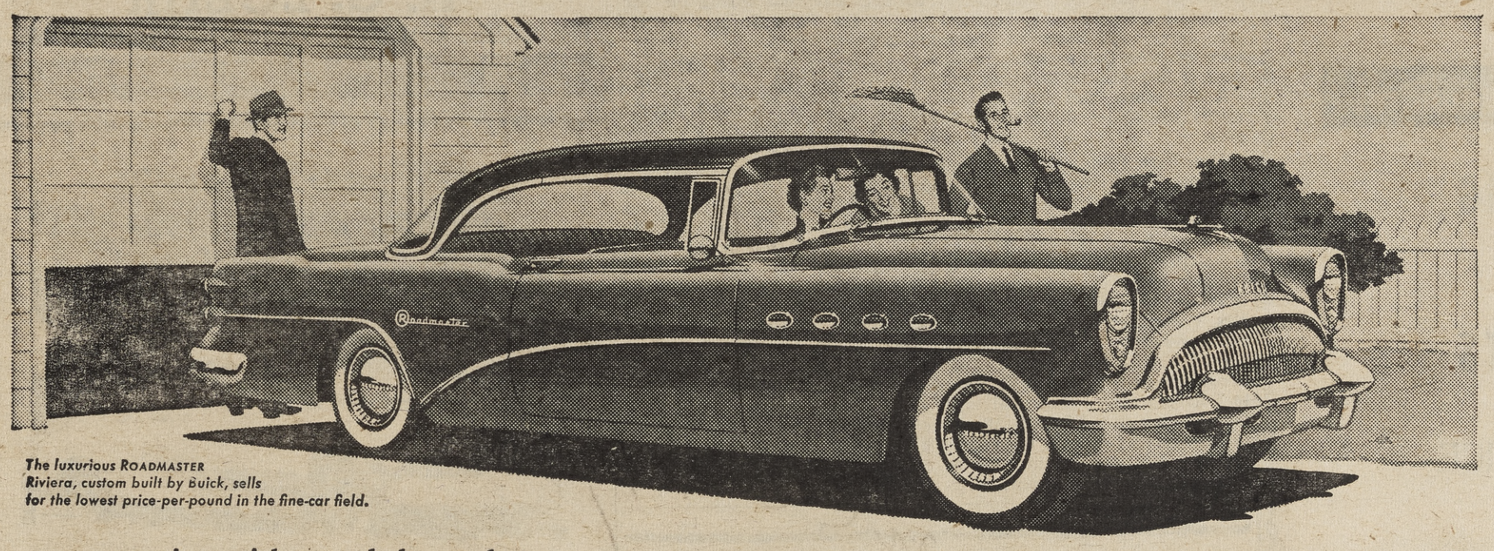
ST. LOUIS CAFE

We're out to break a record in October!



The luxurious ROADMASTER Riviera, custom built by Buick, sells for the lowest price-per-pound in the fine-car field.

THERE'S a mighty good chance that October 1954 will be the biggest October in Buick history.

In fact, we know it will—if we can keep Buick sales rolling as they've been rolling thus far this year.

This is the car that has romped ahead of competition—climbed up into the circle of America's three top sales leaders.

It's the car that has been winning customers because it has the power, the ride, the room, and the *styling* that make it the buy of the year.

So we're in the mood to talk turkey, if you are in the market. Come in today for a car—and a deal—too good to miss.

THIS IS THE 3-WAY BONUS WE OFFER IN BUICK TODAY

1. Tomorrow's Styling

True year-ahead beauty with long, low glamor lines, keynoted by that spectacular new panoramic windshield that most other cars won't have till 1955 or later.

2. Higher Resale Value in the years to come

From the far-in-advance styling that will keep your Buick new and modern-looking well into the future, as other cars catch up.

3. Bigger Allowance from our volume business

For the huge sales success that has moved Buick into the circle of the "Big 3" means we can offer you a higher trade-in on your present car. Come in and see for yourself that we can make you a better deal.

Now's the time to make your buy because—

Buick Sales are Soaring

And Buick "deals" are better than ever!

-LOTS For SALE-

The Truckee Public Utility District is offering Lots for Sale on the north side of the Brockway Road in the Hill Top area.

These Lots are 100 ft. by 100 ft. in size located on a recorded County Road—Graded, surfaced and maintained by the County.

Electricity and Water will be available to each Lot. This area is in the Fire District but is not at present in the Sanitary District.

For a limited time—up to and including October 31, 1954—preference in the purchase of these Lots will be given to voters of the District.

After October 31, 1954 the remaining Lots will be offered to the general public.

This is an excellent opportunity to get in on the ground floor of what should prove to be one of the most popular areas in this community.

SWANEE'S Lake Tahoe Letter

Tahoe City, Oct. 3

Dear Tahoeites:

Some folks consider 13 an unlucky number, but not so Mr. and Mrs. Ollie Meek of Piedmont. For on October 2nd, yesterday, after 13 years of happy wedded bliss they welcomed a little son. Details not available at this writing as to hospital, weight or name, but we add our congratulations to the hundreds pouring in. The Meeks have two daughters Merilee and Diane. Poor Ollie didn't have the courage (father of two girls), to bet it would be a boy! But he's a mighty happy man right now, despite his obligations!

And a new baby arrived on September 26 to Phil and Nola Olander, former Tahoe residents, now living at Mountain View. It was a little son, weighing in at 7 pounds and named Ronald Keith. His little sister, Phyllis, is just four years old. Congratulations, too!

Had a call from Dr. Stuart Dingwall just before he took off for his home in La Jolla once again after a visit of several days at the lake. Son Bruce, newly arrived from Germany, where he served with the army, was here too seeing the sights of Tahoe with his dad for the first time in some years. Dr. Dingwall has decided to close up his hospital for the season and return to the south as little 12-year-old daughter Nan is attending school there and he wants to remain with her. He will be back up again in about a month for a look-see around and plans to be back to reopen his veterinary hospital early in the spring. He was deeply touched, by the genuine display of sympathy expressed by the townsfolk during his recent bereavement, and most appreciative.

Harold Ambrosch of Glendale, accompanied by his brother Richard, spent several days at the lake last week trying their luck buck hunting. They left without phoning me as to their success. Mr. Ambrosch started the first moving picture show at Meeks Bay more than 20 years ago, and now owns a camera and movie shop in the southern city.

Mrs. Royce Greatwood of Santa Barbara, mother of Mrs. Marion Rustad of Granlibakken, is spending a week or ten days visiting wth her daughter and granddaughter, Binth, at the local ski resort. Mrs. Rustad was hostess at a cocktail party on Tuesday last for Mrs. Gloria Humphrey, the popular little blonde who has been assisting for some weeks at Jav's Drug Store soda counter. Dinner followed at the Pfeiffer House, the guests including Mr. and Mrs. Imon Mitchell, Mr. and Mrs. Jack Van Allen, Mrs. Rustad, Mr. and Mrs. Rick Giannini Reuben Johnson, Dick Clark, and Odd Hodney and cousin, Miss Osa Hodney. On Wednesday Mrs. Humphrey departed for Minnesota to visit at the home of her mother.

Mr. and Mrs. Clarence (Butch) Beavers are now residing in the Sorenson apartment in town for the winter with children Chris and Nancy Ann. Chris started kindergarten this term and must be closer to town before snow flies. Mrs. Clara Sanford of Sanford's Town and Country Lodge at Sunnyside Beach left for Las Vegas on Wednesday where she joins her husband and will assist in the operation of their new jewelry store. Son Ronnie is attending Sierra College in Auburn. And speaking of Sierra College (formerly Placer Junior College) reminds me that our constable, Harry Johanson, is motoring down to Auburn every Wednesday to attend an advanced course being offered by the State Board of Education in police training. He must attend every Wednesday for five months and after completing the course will be given three college degree credits. He has been attending for the past month.

Constable Johanson on Friday morning at 10 a.m. conducted a public auction at the restaurant formerly known as the Skookum Chuck, operated by Mrs. Earline Brumbaugh, who has left Tahoe City.

Tahoe City's telephone office will have as its winter agent this year Mrs. Gladys Quam of Truckee, who is already on the job with her crew of helpers which includes Mrs. Alice Saunders, Mrs. Helen Beaverson, Miss Jean Verner, Mrs. Luella Griffith and Mrs. Myrtle Carnell, all of Tahoe City. Oscar Quam will reside at Tahoe, but continue to operate his Truckee shoeshop, and son Jerry, will make his home here too. Miss Dorene Quam, a student at San Jose College, has just left for school following a two-weeks vacation with her family here.

Mrs. Fern Schlueter has closed her resort at Tahoe Park for the winter and departed for a leisurely vacation to be spent in various parts of the states. She planned to go first on Wednesday last to Oakdale where she will visit with relatives and pick up her sister, Mrs. Vivian Nelson, who helped all summer with the care of the cabins here. Together they planned to go north along the Redwood Highway to Portland where they will visit friends, then on to Chehalis, Wash., to drop in on relatives. If weather permits they will continue on to Vancouver and other points of interest in Canada, then on to Idaho, Wyoming and Nebraska to visit relatives and friends.

Things are getting pretty quiet in Tahoe City. The Bank of America has closed. There's no more Sunday mail, in or out, until next May, and on Friday last Mrs. Anita Jenkinson closed her Variety Store in town and left for Sacramento to join husband Bill and daughter Penney, going to school down there. But one bright spot remains, Drug Store open from 9 to 6 daily. And Tahoe City may rejoice once more as Dr. A. L. Sklar of Kings Beach is now readying his office above Sky Lodge in Tahoe City where he will be available all winter from 3 to 5 daily, excepting Wednesdays, Saturdays and Sundays, when visits may be made by appointment.

Spent Tuesday night last visiting with my old friends from Auburn, Mr. and Mrs. Art Sather, who have a summer home on the lakeshore at Homewood. They celebrated their 43rd wedding anniversary while here by enjoying dinner and the floor show at Reno. They were accompanied by Mr. and Mrs. Maurice Mahen of Roseville and Mr. and Mrs. Tome Whittemore of Auburn. Other recent guests included their newphew, Delbert Miller of Rio Vista, Mr. and Mrs. Norman Andregg, Ernest Anderson, all of Auburn, Mr. and Mrs. Charles Powell and daughter of Maxwell, Mrs. Eunice Earling of Santa Clara and Msr. Bobbie Humphrey and Mrs. Mildred Shaves of Campbell. While here Art Sather shot a 150-pound 3-pointer Tom Shaves of Campbell, his houseguest, killed a 130-pound forked horn and D. Manning of Campbell shot a 120-pound forked horn all in the Ellis PK. area. Other members of the hunting party, their son, Eddie Sather, and George Zingfield of Campbell, failed to get their bucks. M. O. Johnston, Jr., of Sunnyside killed a nice 4-pointer in the Bear Trap region before taking off for his Glendale home. He was the only local man last year from this district to kill a buck with a bow and arrow. Jay Shontz spent five arduous day in the White Horse region at the opening of the season seeking the elusive buck, in vain. Saturday while taking his family on a jeep ride into the back country up Bear Trap way not far from his home, he shot a forked horn not far from the road, which weighed around 100 pounds. One of the largest deer brought in last week was the 5-pointer killed by Packard Harrington, Tahoe City golf pro, near town. The big fellow dressed out at 175 pounds. The following local men packed in to Shank's Grove for five days of hunting at the opening of the season; Carl Bechdolt, Jr. Bill Bechdolt, Pete Vanni, Martin Spitsen, Bob Pomin and Jay Shontz. Pete shot a forked horn, Spitsen a 3-pointer and Bob Pomin, ditto.

Hank Slade of Tahoe Cedars was scheduled to leave Tahoe for the winter on Wednesday last. He has been in poor health for some months past and plans to seek medical attention during the winter at the Palm Springs Medical Center.

Then there was a Mr. Williams from Modesto who went a-hunting in the Boca reservoir area. According to Butch Beavers, who happened to be in a position where he could watch a herd of does and fawn, and some ten groups of men passed by, took a good look and continued on their way. But Mr. Williams snuck up on the unsuspecting herd and after taking a look through his expensive scope, picked himself off a little fawn. As he was preparing to pack it away Butch stepped out and apprehended him, then turned him over to Irving Single of the Truckee Fish and Game. Needless to say, the little fawn served as Exhibit A, and Judge Fosten Wilson levied a $250 fine and confiscated his $250 rifle.

Down Tahoma way, Mr. and Mrs. W. M. Dugdale owners of Edwards Tahoe Lodge, entertained extensively all summer. Recent guests include Mr. and Mrs. Ralph Wolf of Santa Barbara, Mr. and Mrs. William Moldenchard of Berkeley, Mr. and Mrs. Lew Barney, Jr., and family of the eastbay, their son-in-law and daughter, and Capt. Howard Wirth of TWA Airlines from Los Altos.

Mr. and Mrs. Al Fanger and daughters, Sheila and Judy, are now year-round residents at Fanger's Lodge, near Tahoma. They plan further improvements at their resort in the near future.

Finally got a report on John Edge's buck shot on opening day in the hills above Deer Park. It was a forked horn weighing around 160 pounds. His two companions, one Del Tiedemann of Sacramento, the other unidentified, each got a forked horn tipping the scales between 160 and 180 pounds.

Wind this up on Monday, as our wonderful fall sunshine continues and the foliage on the aspen and willow turns from yellow to deep orange and red, and the squirrels hustle about their task of storing pine nuts for the winter ahead. Talked with Mrs. Ward Knapp of Lake Forest, my old friend of many years, who was most distressed by a letter she received today from her son and wife, the Richard Yeakels of San Leandro. Their little daughter, Cynthia, just two and a half years old, has just undergone a very serious operation for one so young. She has been transferred now to Providence Hospital where further medical attention is being administered, but is not recovering as satisfactorily as she should. Her maternal grandfather, George Cozos of Holyoke, Mass., arrived from the east to be with her during her critical illness. A quick and complete recovery is being prayed for by her family and friends.

A cheery adios to one and all. As ever, SWANEE.

New Brochure Gives Trend Of California

"The California Trend," is the title of a colorful 32-page brochure now ready for liimted distribution to business and sales executives, economists, commentators and various leaders by the Bank of America, it was announced today.

Newest in a series of comprehensive Bank of America studies of the trend of business in California, the brochure makes dramatic use of charts, tables and multi-colored illustrations to review a half century of economic progress and show the present strength of California in all the principal categories of productive activity.

Distribution of this impressive work is to be directly by mail as well as through all branches of the Bank of America, it was stated.

Traffic Fines Do Not Return To State Patrol

SACRAMENTO—Have you paid a traffic fine lately?

While discussing the California Highway Patrol's continuing program of reemphasis on speed enforcement, Patrol Commissioner B. R. Caldwell today pointed out that motorists who find themselves in the unenviable position of paying traffic fines for offenses cited by highway patrolmen should realize that none of the fine money gets back to the highway patrol.

"California law provides that fine money collected for misdemeanor traffic violations committed in unincorporated territory shal go directly to the treasury of the county in which the arrest is made, if such arrest is made by a member of the California Highway Patrol," Caldwell said. "This fine money becomes part of a 'special road fund' to be used within the specific county.

"Funds for the support of the California Highway Patrol and the Department of Motor Vehicles come from the motor vehicle license fee fund are are in no way connected with traffic violation fine money,"Caldwell explained.

As one judge phrased it, "There is probably no place that a person can get less in exchange for his hard-earned money than in a traffic court."

The commissioner added however that being stopped by a patrol officer and cited into court is a much safer method of correcting poor driving habits than becoming involved in a traffic accident.

TAHOE FOREST ACTIVITIES

Administrative Services

To carry on the wide variety of work entailed in the management of a busy National Forest, requires the employment of quite a few office workers. The Tahoe Forest has 10 permanent workers in the supervisor's office performing the duties of warehousing, purchasing, payment of bills, payrolling, employment, financial management, bookkeeping, filing and stenography.

In the main, this is a relatively small group handling a business volume involving the collection of more than one million dollars a year and an expenditure of about six hundred thousand dollars a year.

Here is the way this organization is set up: In charge of the whole administrative services job is the forest administrative assistant, one of the five forest staff officers. This employe answers directly to the forest supervisor and holds final responsibility for the efficient and expeditious handling of all business phases of the forest management job. In addition, he is assigned other responsibilities related to business management as the needs of the unit dictate, such as job plans, personnel problems, certain land use permits, etc.

Purchasing-Warehousing

One of two major divisions is that of procurement of materials, supplies, and equipment, warehousing; property accounting. This work is headed up by Storekeeper Raymond V. Worthley ,an employe of over 20 years' service. He procures a wide variety of materials by direct purchase and maintains the Nevada City Warehouse, which is a fair size operation. He has one seasonal assistant and hires additional laborers and truck drivers during periods of heavy business caused by fire suppression. He is also responsible for keeping the current record of property assignments and annually takes a forest-wide property inventory.

Office Work

The other major division of the administrative services job is the general office work done in the supervisor's office. This job is headed up by Chief Clerk Harvey Mack, who is responsible for the training of employes, job assignments, office arrangement and all attendant duties to the supervision of a large job done by seven office workers.

Within this group the overall job is divided into sub-divisions which are: Personnel procedures and payrolling, Arthur Dee Haskell, with seasonal assistant Kathleen Misiner; accounts payable clerk, handling the payment of all bills incurred, Leona Schwartz; resource management clerk, handling all clerical work connected with resource management of the forest such as timber sales, special land uses, grazing permits, mining claims, etc,; Gwen Gwilliams, with a year-long assistant, Merlin Penrose; filing, done by Betty Goss, office receptionist and general stenography done by Jane Goss. General financial accounting and auditing of all receipts and payments is done by the chief clerk.

Office Plant

The responsibility of operation and maintenance of the supervisor's office building, such as assignment of space, utility services, safety, janitorial services, yard maintenance, etc., is held by the administrative assistant. The janitor and gardener is Melvin White whose job is an endless one, keeping him very busy all the time.

Veteran Tax Exemption Blamed for High Gain In Tax Free Assessment

A record-breaking increase in the number of veterans receiving property tax exemptions in California carried the assessed value of exempt privately owned property over the billion-dollar mark in 1954, according to Paul R. Leake, Third District member of the State Board of Equalization. Leake estimated the taxes which would have been levied on this property had it been taxable at $60,000,000.

The total assessed value of taxable property this year is $18,231,627,000—eighteen dollars per dollar of exempt property. Last year's figure was $18.70 of taxable property for each one dollar of exempt property, and the ratio was $37.10 ten years ago. Thus in a single decade, the ratio of taxable to nontaxable property has been halved.

As in other recent years, three-quarters of the exempt values this year were claimed by veterans. Nearly 925,000 veterans qualified this year as compared with 821,000 last year. The average exemption of $817 excused the typical serviceman or woman from a tax of nearly $50. The total assessed value of exempt veterans' properties was $755,410,000 this year as compared with $686,332,000 last year.

Although veterans accounted for much the largest part of the increase in total exempt values from $917,236,000 in 1953 to $1,012,011,000 this year, the largest percentage increase occurred in the so-called "welfare" exemption category. The assessed value of these exempt properties rose by 20.1 per cent from $78,740,000 in 1953 to $94,599,000 this year. Both these figures would have been considerably larger had Los Angeles County exempted the real property of non-profit schools of less than collegiate grade as all other counties did.

The tiny sloop, Gjoa, in which Capt. Roald Amundsen pioneered the Northwest Passage, is preserved as a memorial in San Francisco's Golden Gate Park.

San Francisco's main library was opened in February, 1917.

Every year between six and seven thousand kinds of insects are described and named for the first time by entomologists.

Crystal Springs Dam in San Mateo County is the terminus of the San Francisco water system's Hetch Hetchy Aqueduct.

NOTICE TO BIDDER

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee nified School District, Placer and Nevada Counties, California, at the Office of the Superintendent, Truckee, California, on or before, and no later than Tuesday, October 12, 1954, at 5 P.M. for a contract to furnish transportation for school children from Squaw Valley Lodge to Highway No. 89 at its intersection with the Squaw Valley Road in accordance with specifications on file in the office of the Superintendent of Schools.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of the suitability of the contract offered.

Bidders are required to furnish bond, or certified check in an amount equal to ten per cent (10%) of the total bid.

By order of the Governing Board of the Tahoe-Truckee Unified School District

DENIS SACH, Clerk

Oct. 21, 1954.

NOTICE TO VOTERS

NOTICE IS HEREBY GIVEN to the electors of the State of California that the following Bond Act will be submitted to the People of the State of California for their ratification at the next general election to be held on the second day of November, A.D., 1954.

FRANK M. JORDAN,
Secretary of State.

FOR THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes.

1

AGAINST THE VETERANS BOND ACT OF 1954.

This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans.

This proposed law, by act of the Legislature passed at the 1954 First Extraordinary Session, is submitted to the people in accordance with the provisions of Article XVI of the Constitution.

(This proposed law does not expressly amend any existing law; therefore, the provisions thereof are printed in BLACK-FACED TYPE to indicate that they are NEW.)

PROPOSED LAW

An act to add Article 5e to Chapter 6 of Division 4 of the Military and Veterans Code, authorizing the creation of a debt or debts, liability or liabilities, through the issuance and sale of state bonds, to create a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and acts amendatory and supplemental thereto; defining the powers and duties of said committee and of the Department of Veterans Affairs and other state officers in respect to the administration of the provisions hereof; providing ways and means, exclusive of loans, for the payment of the interest of such debt or debts, liability or liabilities, as such interest falls due, and also for the payment and discharge of the principal of such debt or debts, liability or liabilities, as such principal matures; and providing for the submission of this act to a vote of the people at the general election to be held in the month of November, 1954.

The people of the State of California do enact as follows:

Section 1. Article 5e is added to Chapter 6 of Division 4 of the Military and Veterans Code, to read:

Article 5e. Veterans Bond Act of 1954

996.25. This article may be cited as the Veterans Bond Act of 1954.

996.26. For the purpose of creating a fund to provide farm and home aid for veterans in accordance with the provisions of the Veterans Farm and Home Purchase Act of 1943 and of all acts amendatory thereof and supplemental thereto, the Veterans' Finance Committee of 1943, created by Section 991, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

996.27. After adoption of any resolution by the Veterans' Finance Committee of 1943, provided for in Section 996.34 the State Treasurer shall arrange for the preparation of the requisite number of suitable bonds in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this article shall not exceed the sum of one hundred seventy-five million dollars ($175,000,000) and shall bear interest at a rate not exceeding 5 percent per annum payable as provided in such resolution. Both principal and interest shall be payable in lawful money of the United States, at the Office of the State Treasurer, or at the office of any duly authorized agent of the State Treasurer.

All bonds issued under this article shall bear the facsimile signature of the Governor and the facsimile countersignature of the Controller and shall be endorsed by the State Treasurer either by original signature or by a signature stamp, and the bonds shall be signed, countersigned, and endorsed by the officers who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943, and each of said bonds shall bear an impress of the Great Seal of the State of California. Interest coupons attached to each bond shall bear the facsimile signature of the State Treasurer who shall be in office on the date of adoption of the resolution of the Veterans' Finance Committee of 1943. The Veterans' Finance Committee of 1943 may require that said bonds be authenticated by the State Controller or by any Deputy State Controller, and in such event no bond authorized hereunder shall be valid unless so authenticated in the manner so required. The bonds or coupons so signed, countersigned, endorsed, and sealed, when sold, shall be and constitute a valid and binding general obligation upon the State of California, although the sale or delivery thereof be made at a date or dates upon which the officers having signed, countersigned, and endorsed said bonds or coupons, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the date of adoption of the resolution of the Veterans' Finance Committee of 1943. Each bond issue under this article shall contain a clause or clauses referring to this article and to the resolution of the Veterans' Finance Committee of 1943 hereunder by virtue of which said bond is issued, and if subject to call or redemption prior to maturity, shall contain a recital to that effect.

996.28. The State Treasurer shall, on the respective dates of maturity or prior redemption of said bonds, or as soon thereafter as said bonds are surrendered to him, pay the same out of the proceeds of the Controller's warrants drawn in his favor as provided in Section 996.29 and perforate the bonds so paid with a suitable device in a manner to indicate such payment and the date thereof. The State Treasurer, or his duly authorized agent, shall also, on the respective dates of maturity, cancel all bonds and appurtenant coupons bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof; provided, however, new bonds may be prepared and executed in lieu of bonds canceled solely by reason of the fact that such bonds have not been sold prior to their fixed maturity dates, whenever the Veterans' Finance Committee of 1943 shall determine such new bonds shall be prepared and executed, subject to the condition the total indebtedness created hereunder shall not exceed the maximum limit herein specified. Not less than four years after the final maturity date of a particular issue of bonds, the State Treasurer, or his duly authorized agent, may destroy or cremate any bonds of such issue which have been previously paid or canceled as hereinbefore provided.

996.29. All bonds herein authorized, which shall have been duly sold and delivered as herein provided, shall constitute valid and legally binding general obligations of the State of California, and the full faith and credit of the State of California is hereby pledged for the punctual payment of both principal and interest thereof. There is hereby appropriated from the General Fund in the State Treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this article, as said principal and interest become due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the State, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collections of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the General Fund in the State Treasury, all of the money in the Veterans' Farm and Home Building Fund of 1943, not in excess of the principal of and interest on the said bonds then due and payable, except as hereinafter provided for the prior redemption of said bonds, and, in the event such money so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the General Fund in the State Treasury out of said Veterans' Farm and Home Building Fund of 1943 as soon thereafter as it shall become available, together with interest thereon from such dates of maturity until so returned at the same rate as borne by said bonds, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn against said appropriation from the General Fund by the Controller of the State in favor of the State Treasurer, or his duly authorized agent, and the money to be returned into the General Fund in the State Treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the Controller. The Department of Veterans Affairs, by resolution approved by the Veterans' Finance Committee of 1943, shall direct the State Treasurer to call bonds (which are then subject to redemption) if such call is desirable and whenever funds are available to effect such redemption, the part of each issue so called to be not less than all of the bonds maturing in any one year. Notice of such redemption shall be given by the State Treasurer in the manner provided in the resolution authorizing the issuance of said bonds.

996.30. The bonds authorized to be issued under this article shall be sold by the State Treasurer to the highest bidder for cash, either at public auction or upon sealed bids as the Veterans' Finance Committee of 1943 may by resolution determine. The Treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which shall have accrued thereon between the date of purchaser's payment for said bonds and the last preceding interest maturity date; and the Treasurer may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, at such time and place as he may select. If said bonds are offered for sale upon sealed bids, then each bid shall be in writing and signed by the bidder and sealed, and shall be accompanied by the deposit of a certified check or cashier's check for five thousand dollars ($5,000), drawn on a bank or trust company authorized to transact and transacting business in the State of California, payable to the Treasurer of the State of California, such deposit not to bear interest. The deposit of each unsuccessful bidder shall be returned to him immediately upon the nonacceptance of his bid, and the deposit of the successful bidder shall immediately upon the acceptance of his bid become and be the property of the State of California and be placed in the State Treasury to the credit of the Veterans' Farm and Home Building Fund of 1943, and shall be credited to the successful purchaser upon the purchase price of the bonds bid for in case such purchase price is paid in full by him within the time mutually agreed upon between the successful bidder and the Treasurer. If the purchase price is not so paid, the successful bidder shall have no right in and to said bonds or by reason of said bid, or to the recovery of said deposit accompanying said bid, or to any allowance or credit by reason of such deposit unless it shall appear that the bonds would not be validly issued if delivered to the purchaser in the form and manner proposed. In case the purchase price is not so paid, the bonds so sold but not paid for shall be resold by the State Treasurer upon notice as provided in case of original sale.

Temporary or interim bonds, certificates, or receipts of any denomination whatever and with or without coupons attached thereto, to be signed by the State Treasurer, may be issued and delivered until the definitive bonds are executed and available for delivery. Signature of the State Treasurer may be by signature stamp.

996.31. Due notice of the time and place of sale of all bonds shall be given by said Treasurer by publication in one newspaper published in the City and County of San Francisco and also by publication in one newspaper published in the City of Sacramento and by publication in one newspaper published in the City of Los Angeles once a week during two weeks prior to such sale. In addition to the notice last above provided for, the State Treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars ($500) for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said Treasurer into the Veterans' Farm and Home Building Fund of 1943 and must be used exclusively in aiding veterans in the acquisition of, or payments for, farms and homes, in accordance with the provisions of this chapter; provided, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

996.32. The Department of Veterans Affairs is authorized, with approval of the Department of Finance, to invest any surplus money in the Veterans' Farm and Home Building Fund of 1943 in bonds or obligations of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or obligations, or any of them, at the governing market rates, upon approval of the Department of Finance; or the Department of Veterans Affairs may, with the approval of the Director of Finance, invest money in such fund, in interest-bearing certificates of deposit of state banks having a paid-up capital of five hundred thousand dollars ($500,000) or more; provided, the total amount of money so deposited with any one bank shall not exceed a sum equal to 50 percent of the paid-up capital of such bank; provided, however, nothing herein contained shall inhibit the depositing in banks in accordance with Chapter 4, Part 2, Division 4, Title 2 of the Government Code, of money of any of the funds subject to the control of the Department of Veterans Affairs or appropriated for its use.

Interest accruing upon the deposit of money of the Veterans' Farm and Home Building Fund of 1943 shall be paid into and credited to said fund.

996.33. Upon request of the Department of Veterans Affairs, supported by a statement of the plans and projects of said department with respect thereto, and approved by the Governor, the Veterans' Finance Committee of 1943 shall determine whether or not it is necessary or desirable to issue any bonds authorized under this article in order to carry such plans and projects into execution, and, if so, the amount of bonds then to be issued and sold. Successive issues of bonds may be authorized and sold to carry out said plans and projects progressively, and it shall not be necessary that all the bonds herein authorized to be issued shall be sold at any one time.

996.34. Whenever the Veterans' Finance Committee of 1943 shall have determined that the sale of all or any part of the bonds authorized to be issued under this article is necessary or desirable to carry such plans into execution, in whole or in part, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the State Treasurer to provide for the preparation of the requisite number of suitable bonds then authorized to be sold and shall specify as to such bonds then to be sold:

1. The maximum number of each denomination or denominations, aggregate par value, and the date of the bonds to be then sold. The date appearing on said bonds shall be deemed to be the date of issuance for all purposes of this article, irrespective of the actual date of delivery of such bonds and the payment of the purchase price thereof. Successive issues of bonds herein authorized shall be identified by the number of the issue, or the entire authorized issue may be divided into series or divisions appropriately identified by letter or number.

2. The date or dates of maturity, and the number and numerical sequence of the bonds maturing at each date of maturity, to be at annual intervals.

3. The provisions, if any, for the retirement of said bonds at any time or times prior to their maturity, the manner thereof, and the price or prices at which said bonds shall be redeemed.

4. The annual rate of interest which the bonds to be issued shall bear, to be in multiples of one-fourth of 1 percent, which rate, at the discretion of said committee, may be determined by the bidder at the time of sale of said bonds, not to exceed 5 percent payable as herein provided.

5. The provisions, if any, for the interexchange of bonds of different denominations, the issuance of new bonds of different denominations in lieu of, or in exchange for, bonds of a like aggregate principal amount but of different denominations, and the authentication of any bonds by the State Controller or by any Deputy State Controller.

6. The technical form and language of said bonds and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the Veterans' Finance Committee of 1943 shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the Veterans' Farm and Home Building Fund of 1943 from the transactions to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, with the dates and amounts of such estimated revenues; provided, the bonds first to mature in each issue shall mature not later than five years and the bonds last to mature in each issue shall mature not later than 45 years from the date of issuance thereof.

The rate of interest to be borne by the bonds need not be uniform for all bonds of the same issue or series or division, and may be determined and fixed by the Veterans' Finance Committee of 1943 by resolution adopted at or after the sale of said bonds, but not exceeding in any case 5 percent per annum payable semiannually. The highest bid received on the sale of the bonds shall be determined by deducting the total amount of the premium bid (if any) from the total amount of interest which the State would be required to pay from the date of the bonds or the last preceding interest payment date, whichever is latest, to the respective maturity dates of the bonds then offered for sale at the coupon rate or rates specified in the bid, and the award shall be made on the basis of the lowest net interest cost to the State. The lowest net interest cost to the State shall be computed on a 360-day year basis. The interest coupon first payable may, if the Veterans' Finance Committee of 1943 shall so determine and specify, be payable at any time within one year after the date of issuance of said bonds.

996.35. All actual and necessary expenses of the Veterans' Finance Committee of 1943 and of the members thereof incurred in the performance of their duties arising out of the provisions of this article and expenses incurred by the State Treasurer in having said bonds prepared and in advertising their sale or their prior redemption shall be paid out of the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

Whenever the Veterans' Finance Committee of 1943 deems it advisable to obtain a legal opinion as to the validity of the bonds, prior to or after sale, from attorneys other than the Attorney General, the committee may authorize the State Treasurer or the Department of Veterans Affairs or both to obtain such a legal opinion. Payment for such legal services shall be made from the Veterans' Farm and Home Building Fund of 1943, on Controller's warrant duly drawn for that purpose, and shall constitute expenses of the Department of Veterans Affairs.

996.36. The Controller, the Treasurer and the Veterans' Finance Committee of 1943 shall keep full and particular account and record of all their proceedings under this article, and they shall transmit to the Governor an abstract of all such proceedings thereunder, with an annual report, to be by the Governor laid before the Legislature biennially; and all books and papers pertaining to the matter provided for in this article shall at all times be open to the inspection of any party interested, or the Governor, or the Attorney General, or a committee of either branch of the Legislature, or a joint committee of both, or any citizen of the State.

996.37. So long as any bonds authorized under this article may be outstanding, the Director of the Department of Veterans Affairs shall cause to be made at the close of each fiscal year, a survey of the financial condition of the Division of Farm and Home Purchases, together with a projection of the division's operations, such survey to be made by an independent public accountant of recognized standing. The results of such surveys and projections shall be set forth in written reports and said independent public accountant shall forward copies of said reports to the Director of the Department of Veterans Affairs, the members of the California Veterans Board, and to the members of the Veterans' Finance Committee of 1943. The Division of Farm and Home Purchases shall reimburse said independent public accountant for his services out of any funds which said division may have available on deposit with the Treasurer of the State of California.

Sec. 2. This act shall take effect upon its adoption by the people as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Sec. 3. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1954, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the Veterans Bond Act of 1954," and the same square under said words the following in eight-point type: "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans to acquire farms and homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words, "Against the Veterans Bond Act of 1954," and in the same square immediately below said words, in eight-point type shall be printed "This act provides for a bond issue of one hundred seventy-five million dollars ($175,000,000) to be used by the Department of Veterans Affairs in assisting California war veterans." Opposite the words "For the Veterans Bond Act of 1954" and "Against the Veterans Bond Act of 1954," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words, "For the Veterans Bond Act of 1954" and those voting against the said act shall do so by placing a cross opposite the words "Against the Veterans Bond Act of 1954." Provided, that where the voting of said general election is done by means of voting machines used pursuant to law in such manner as to carry out the intent of this section, such use of such voting machines and the expression of the voters' choice by means thereof, shall be deemed to comply with the provisions of this section. The Governor of this State shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

Sec. 4. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the Governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

Sec. 5. It shall be the duty of the Secretary of State in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this State, for three months next preceding the general election to be held in the month of November, 1954. The costs of publication shall be paid out of the General Fund, on Controller's warrants duly drawn for that purpose and shall be refunded to the General Fund out of the Veterans' Farm and Home Building Fund of 1943. Said refund shall be made upon Controller's warrants duly drawn against said fund for said purpose upon demands audited by the State Department of Finance.

District Offers More Lots To Buyers Here

C. Edmunds, manager of the Truckee Public Utility District announced, this week that the directors had approved the disposal of the district's land along the Brockway road in the Hill Top area.

This land will be subdivided into lots 100 by 100 feet and offered at an attractive price to purchasers. During the month of October the purchase of these lots will be limited to residents of the district, after which it will be thrown open to the general public.

Edmunds cited the profits made by those in 1948-49 who availed themselves of the lots offered along Highway 40 by the district and stated that while the lots along Brockway road will not be offered at the low prices asked by the district for those marketed in 1948, nevertheless he predicted that they would be worth considerable more than the present asking price in the near future.

Edmunds stated that in his opinion nobody should sell this area short, as the future is brighter than ever before. He quoted Jerold Loebl, a Chicago architect and builder who in a recent interview with the San Francisco Chronicle said, "All Northern Cailfornia is a gold mine for growth and development."

Loebl said his confidence in the future growth of Northern California is not based on his own observation but on conclusions drawn from a comprehensive survey by the California Survey Corporation.

This corporation is a group of about 60 eastern businessmen who hired a free lance researcher to make a thorough study of the room for growth in the West and the need for it.

"The results," Loebl said, "indicate Northern California has the best potential of any area in the world," and Edmunds added "Truckee sits at the gateway into this Eldorado."

Mission Program Will Start In Local Church

Rev. Wesley H. Osman starts the practical Mission to the People of Truckee and surrounding areas this Sunday when he speaks on the topic, "Why I Go to Church." This is the start of a three-week series, dealing with the holy habits of christians.

The Women's Society of Christian Service will meet again on Thursday, October 14 at 1:30 at the church.

The Methodist Youth Fellowship will continue its planning for the next few meetings in the general area of boy-girl relations. All youths from the seventh grade through high school are urged to come.

Attending Conference—
Mrs. Fred Pedley planned to attend the Governor's Safety Conference convening at 10 a.m. today in the Capitol at Sacramento.

Ill at Home—
Mrs. Earl Stice was reported to be ill at her home on Tuesday.

Attended Festival—
Mrs. Oscar Schumacher returned Wednesday from Paradise where she attended the annual apple festival. In keeping with the spirit of the event, the local woman wore a dress of the 19th century, joining many others in showing clothing of past years.

Date Noted—
Mrs. E. A. Parker observed her birth date on October 3 at a dinner party.

In Nevada—
William Porter has completed the moving of his antiques from Truckee to Carson City.

Return to Capital—
Mr. and Mrs. M. F. Mills have returned to their place in Sacramento having spent the summer months at Donner Lake.

Visit Bechdolts—
Mr. and Mrs. Harold Bechdolt of southern California were recent guests of the former's uncle and wife, Mr. and Mrs. Carl Bechdolt Sr., at Tahoe City.

SUMMIT POST TO HOLD GALA FETE SATURDAY NIGHT

by FRAN COUILLARD

DONNER SUMMIT, Oct. 7.—Preparing for their stupendous, terrific, collosal American Legion party at Beacon Hill Lodge next Saturday evening where Donner Summit Post No. 811 takes its position as the host post of the district and stuffs its guests with buck stew, Bill Rutherford, Chuck Reynolds(present commander), Elmo Moriano, and Milt' (Uncle Milt) Hogle— incoming commander, betook themselves to Colfax last Sunday for district meeting. After extending an invitation to the Saturday night installation fete—Commander Chuck Reynolds accepted two awards made to the post for the 1954 district membership drive. Says Chuck, "We climbed over the 100% mark!" Incidentally—those at the district meeting accepting the invitation to the buck stew and installation made the host post kind of wonder if they are going to have room enough to serve the great number of Ameican Legionniares who have accepted their well distributed invitations!

Robert Tamblyn Hurt In Puerto Rico Accident

Lieut. Robert Tamblyn, well known and popular Nevada Cityan who was engaged in the insurance business before returning to permanent active duty with the air force two years ago, is reported to have been seriously injured during training maneuvers in Puerto Rico where he is now stationed.

Thomas A. Edison's first patent was for a voting machine—an electrical vote recorder.

CARD OF THANKS

We wish to express sincere appreciation for the lovely floral offerings and kindly messages of sympathy sent during our recent bereavement.

DR. STUART DINGWALL
AND FAMILY.

PET PARADE TOPS COUNTY FAIR HERE

Pets and their young owners were an attraction at the Wyethia Club country fair held in the Truckee Tahoe High School on October 2 with the following announced winners of the parade: Kathleen York, prettiest pet dog; Lynn Quartley, funniest horse; Helen Kohl, most unusual horse; Larry Reid, smartest dog so judged by Cecil Edmunds and Mrs. Robert Buddle.

Carol Ann Quilici, George Woodard, Janet Allen and Karen Smart were enjoyed in dances and acrobatic feats and Mrs. Terry Tollefson gave a musical number during the program.

Considerable interest was manifested in the exhibits which included an art showing by Raphael Jolley and Donner Stamp Club exhibits according to Mrs. Fred Pedley, president of the club.

Mesdames Terry Tollefson, Cliff Ellis, Jack Thomas Michael O'Rourke, Misses Alberta Cooper, Mary Ann Tonini, Lynette Young modeled clothes from Besio's Apparel Shop and wore complementary jewelry from Thomas Jewelry during the fashion show which was a highlight of the affair.

The Toggery also had a nice display of men's apparel and luggage.

The members of Girls Scout Troop No. 2 served the turkey dinner before the display of fashions.

Harpers in Pomona—
Mr. and Mrs. Chase Harper who visited here for several weeks returned to Pomona prior to the opening of school.

Back to Carson—
G. D. Aliver, Sr., a former well known resident of Hobart Mills, has again returned to Carson City, from his home in Berkeley and plans to stay in the capital town for some time.

Hunting Here—
Jesse L. Kraybill of Lomita, was hunting in the Truckee area this week, observing his birth date on Monday.

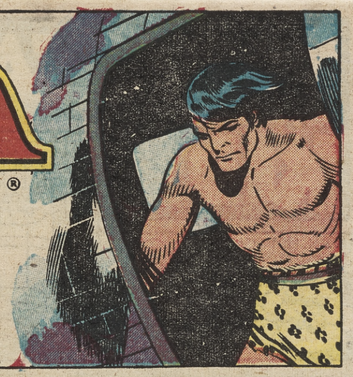
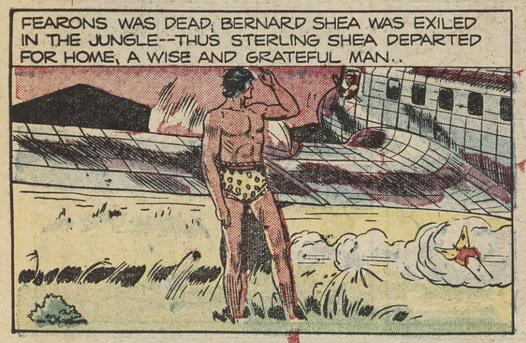
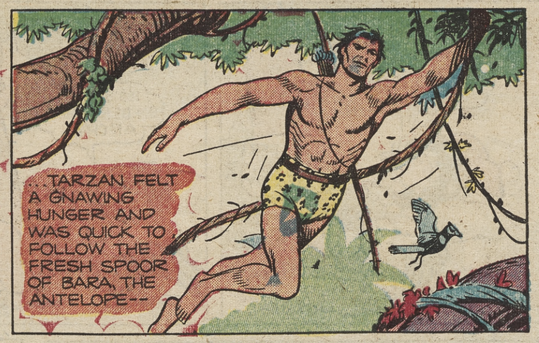
Tarzan®

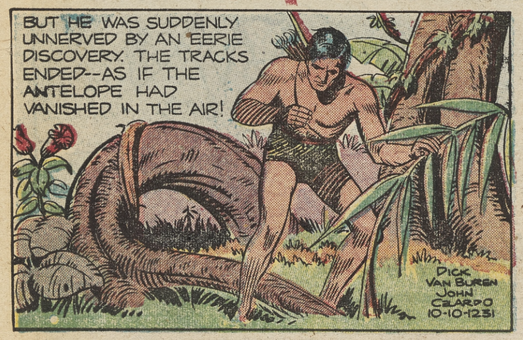
by EDGAR RICE BURROUGHS

THE FUGITIVE'S GETAWAY PROVED SUCCESSFUL WHEN TARZAN VANQUISHED GEORGIE FEARONS AND HURLED HIM FROM THE PLANE.









BUT HE WAS SUDDENLY UNNERVED BY AN EERIE DISCOVERY. THE TRACKS ENDED--AS IF THE ANTELOPE HAD VANISHED IN THE AIR!

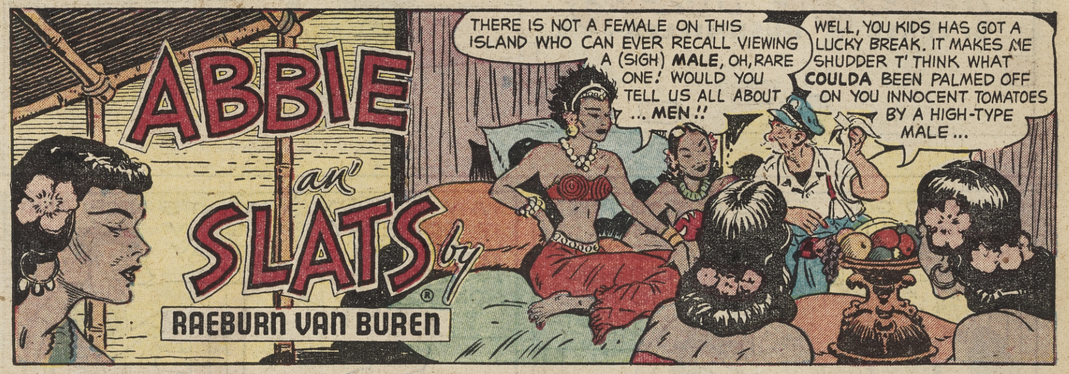
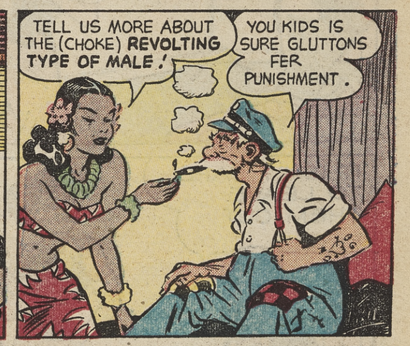
ABBIE an' SLATS by RAEBURN VAN BUREN®

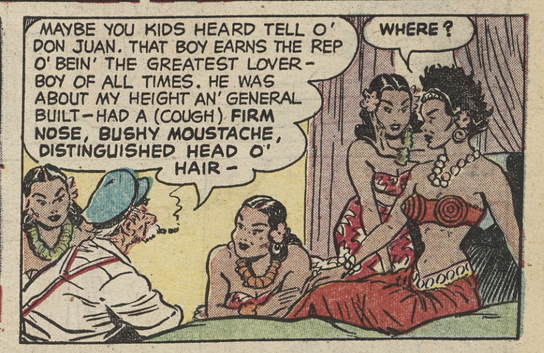


THERE IS NOT A FEMALE ON THIS ISLAND WHO CAN EVER RECALL VIEWING A (SIGH) MALE, OH, RARE ONE! WOULD YOU TELL US ALL ABOUT ... MEN!!
WELL, YOU KIDS HAS GOT A LUCKY BREAK. IT MAKES ME SHUDDER T' THINK WHAT COULDA BEEN PALMED OFF ON YOU INNOCENT TOMATOES BY A HIGH-TYPE MALE ...

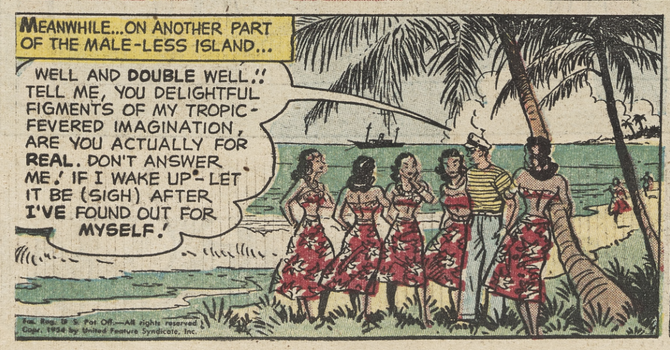
IT MIGHTA BEEN ONE O' THEM SLICK-HAIRED, STRAIGHT-NOSED JOBS. IT KINDA SICKENS ME T' THINK O' THE TYPE... ALL SHOULDERS, SMOOTH SKIN, SPARKLIN' EYES. DON'T IT TURN YER STUMMICKS, GIRLS?
YOUR DESCRIPTION DOES GIVE ME A STRANGE FEELING DEEP DOWN INSIDE, OH, FORTUNATE ONE!



THE REVOLTIN' SPECIMENS I'M REFERRIN' TO, GIRLS, APPEALS TO A CERTAIN TYPE O' DAME - THE WEAK-WILLED BABES THAT DON'T CARE IF A RAT'S GOT CHARACTER, SO LONG AS HE'S MERELY VERY HANDSOME!



MAYBE YOU KIDS HEARD TELL O' DON JUAN. THAT BOY EARNS THE REP O' BEIN' THE GREATEST LOVER-BOY OF ALL TIMES. HE WAS ABOUT MY HEIGHT AN' GENERAL BUILT - HAD A (COUGH) FIRM NOSE, BUSHY MOUSTACHE, DISTINGUISHED HEAD O' HAIR -
WHERE?



MEANWHILE...ON ANOTHER PART OF THE MALE-LESS ISLAND...
WELL AND DOUBLE WELL!! TELL ME, YOU DELIGHTFUL FIGMENTS OF MY TROPIC-FEVERED IMAGINATION, ARE YOU ACTUALLY FOR REAL. DON'T ANSWER ME! IF I WAKE UP - LET IT BE (SIGH) AFTER I'VE FOUND OUT FOR MYSELF!

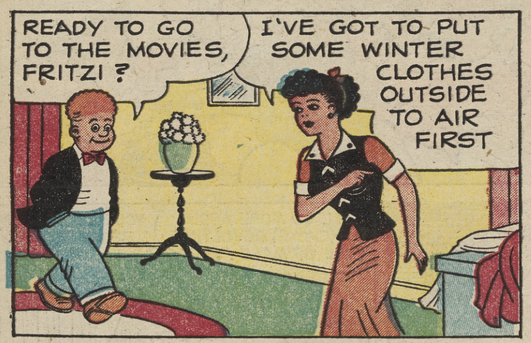
I PROMISED TO TAKE FRITZI TO THE MOVIES
Fritzi Ritz
By ERNIE BUSHMILLER

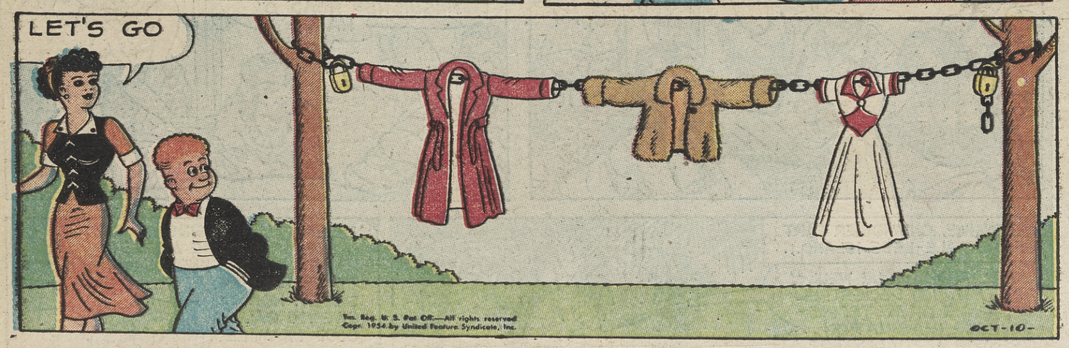


READY TO GO TO THE MOVIES, FRITZI ?
I'VE GOT TO PUT SOME WINTER CLOTHES OUTSIDE TO AIR FIRST

WHY NOT DO IT SOMEDAY WHEN YOU ARE STAYING HOME ?
NO, IT'S NICE AND SUNNY TODAY

IT ISN'T SAFE TO LEAVE THEM OUT
SURE IT IS

DON'T SAY I DIDN'T WARN YOU
WAIT TILL YOU SEE THE WAY I HANG THEM OUT



LET'S GO

Archie

BY BOB MONTANA

COMING TO THE BIG GAME, SON?

GEE, VERONICA HAS ALWAYS WANTED TO SEE A **PRO GAME**, BUT I'M FLATTER THAN A PLATTER!

PROFESSIONAL FOOTBALL

GREEN BAY SNAZZERS vs. CHICAGO FLARES

TELL YOU WHAT I'M GONNA DO! YOU DO A LITTLE JOB FOR ME AND I'LL LET YOU AND YOUR GIRL IN **FREE!**

OBOY! WHAT DO I DO?

ALL STAR

PUT UP THIS SNOW FENCE AROUND THE PARKING AREA!

ULP!

I PUT UP ALL THE FENCES... DO I GET MY TWO PASSES NOW?

PASSES?! THEN YOU'D HAVE TO PAY THE **TAX!** JUST BRING YOUR GIRL... I'LL SNEAK YOU IN!

PARKING

FOOTBALL TODAY

OH **ARCHIE!** YOU'RE A **DEAR...** TAKING ME TO THE PROFESSIONAL FOOTBALL GAME!

PSST! IN HERE... QUICK!

SECTION 3

HOLD IT, SON! WHO'S GONNA PARK THE CARS?

SLAM

THE LOT IS LOADED! CAN I JOIN **VERONICA** NOW?

MEET ME AT THE MAIN GATE, M'BOY!

PARKING

348

SOUVENIRS! GET YOUR SOUVENIRS OF THE GAME HERE!

SOUVENIRS

25¢

WADDAYA MEAN A **DOLLAR** FOR PARKING MY CAR? THE GAME IS OVER AND I NEVER EVEN **GOT IN!**

TELL YA WHAT! TAKE DOWN THE FENCE AND I'LL SKIP THE PARKING FEE!

YOU'RE NOT ANGRY CAUSE I LEFT YOU ALL ALONE?

I HAD A **GRAND** TIME! I WAS WITH THE WHOLE **GANG!**

IT WAS "STUDENTS DAY"! WE ALL GOT IN **FREE!**

THE Nebbs

by Hess

I STILL WANT TO PLAY IN THE GAME TODAY, TEDDY-

DON'T START THAT AGAIN, TRUDY--

OUR MANAGER MADE YOU AN OFFER LAST WEEK AND YOU REFUSED TO COOPERATE--

YOU HAD YOUR CHANCE, TRUDY- TAKE IT OR LEAVE IT--

I'LL L-L-LEAVE IT-- GOOD-BYE!

ISN'T THAT TRUDY, WILBUR?

IT CERTAINLY IS! I WONDER WHAT'S THE MATTER?

10-10-54 McNaught Syndicate, Inc.

WEREN'T YOU EVEN GOING TO STOP IN AND SAY "HELLO" TO YOUR DADDY, HONEY?

SHOP

N-NO! --I'M UNHAPPY AND I WANT TO MAKE THE MOST OF IT!

THE BOYS WON'T LET ME PLAY FOOTBALL WITH THEM BECAUSE I C-CAN'T S-SWIM!

WHAT'S SWIMMING GOT TO DO WITH IT?

T-THEY--WANT ME TO BE A **S-SUB!**

BARBER

STRANGE as it seems

ELSIE HIX

IN A SPEED-READING TEST CONDUCTED AT THE UNIVERSITY OF DENVER, PAT CARLSON "CLIPPED OFF" 4,198 WORDS IN 4.8 SECONDS -- WITH 100% COMPREHENSION...

THE READING MATERIAL DEALT WITH GOVERNMENTAL FARM PROBLEMS, PRICE SUPPORTS AND ECONOMIC PROBLEMS ...

ITINERANT PORTRAIT PAINTERS OF THE FEDERAL ERA TRAVELED WITH CANVASES ALREADY PREPARED EXCEPT FOR THE *FACE* AND SMALL DETAILS WHICH COULD BE EASILY ADDED ...

YOU CANNOT DISTINGUISH BETWEEN 2 POINTS TOUCHING YOUR BACK WITHIN *ONE INCH* OF EACH OTHER... THEY FEEL LIKE *ONE*... TRY IT!

10-10

A MARE owned by Bill Pennington, Vance, Miss., LURED A CALF FROM ITS MOTHER ...

THE KABUKI THEATER of Japan, STARTED MORE THAN 400 YEARS AGO BY A *WOMAN* -- TODAY HAS ONLY *MALE* PERFORMERS...

THE KABUKI ACTOR TRAINED FROM CHILDHOOD, BECOMES SKILLED IN ALL FORMS OF DANCE AND THEATER PERFORMANCES ...

PHAR LAP-- SOLD FOR $800 IN 1927... IN THE NEXT 4 YEARS HE WON $332,250!

AMONG THE CHINS TRIBE OF BURMA ONLY THE *WOMEN SMOKE*... THE MEN, WHO DO *NOT* SMOKE, ADD WATER TO THE TOBACCO AND WHEN FULLY ABSORBED WITH NICOTINE, USE THE SOLUTION AS A MOUTH WASH ...

CURLY KAYOE

by SAM LEFF

ALL I WANT IS ONE MORE CHANCE WITH THE BALLET COMPANY!

I KNOW YOU WILL NOT REFUSE TO HELP HER, BUDDY-PAL!

THE POOR GIRL LOOKS STARVED — I'LL GET SOME FOOD FOR HER!

IT WASN'T MY IDEA TO COME TO YOU, MR. KAYOE!

I WERE SURE YOU CAN FIX A SECOND AUDITION WITH MR. HUROX, BUDDY-PAL!

WELL-I'LL TRY! MEANWHILE, MISS LESLIE CAN STAY WITH US AND PRACTICE IN THE GYM!

FINE! AND I CAN SHOW HER A FEW THINGS..WATCH!

Copr. 1954 by United Feature Syndicate, Inc.

10-10

BRAVO! BRAVO!

THAT WAS SUPERB, BUTTONS! WHERE DID YOU LEARN THAT?

I STUDIED FOR THE BALLET AS A CHILD BUT I NEVER GREW UP! IT ARE HARD FOR A MIDGET TO FIND A BALLERINA PARTNER, YOU KNOW...

BUT WE ARE HERE TO TALK ABOUT YOUR CAREER— NOT MINE!

PLEASE SHOW ME HOW YOU DID THOSE STEPS, BUTTONS!

I'M GOING TO SEE MR. HUROX RIGHT NOW.

10-10

SAM LEFF
